# Safety Instruction Guide for 1911 AUTO REDUCED POWER MAG CATCH SPRING WOLFF #2 CATCH SPRING, 10PAK

## Introduction

Thank you for choosing the 1911 AUTO REDUCED POWER MAG CATCH SPRING WOLFF #2 CATCH SPRING, 10PAK. This product is designed to enhance the performance of your magazine release, particularly for competition use. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Follow all installation and usage instructions provided in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about potential recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only the recommended springs provided in the 10pak to ensure optimal performance.
- Avoid using the product if you notice any defects or irregularities.
- Ensure that your firearm is unloaded and secured before attempting any installation or adjustments.
- Wear appropriate protective gear, such as safety glasses, when handling or installing springs.
- Do not modify the springs or attempt to alter their design.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and in a safe condition.
- Gather necessary tools, including a screwdriver and pliers.

### 2. Installation:

- Remove the magazine release from your firearm according to the manufacturer's instructions.
- Carefully remove the existing spring from the magazine release.
- Select the appropriate Wolff spring from the 10pak based on your desired power level (strongest #1 to lightest #4).
- Install the new spring by following these steps:
  - Insert the new spring into the magazine release.
  - Reattach the magazine release to the firearm, ensuring it is secured properly.

### 3. Usage:

- Test the magazine release to ensure it functions correctly after installation.
- Adjust the spring selection as needed for your specific preferences and competition requirements.

## **Disposal Instructions**

- Dispose of any used or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, take them to a designated recycling facility if available.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

Thank you for your attention to these safety instructions. Proper use and care of the 1911 AUTO REDUCED POWER MAG CATCH SPRING WOLFF #2 CATCH SPRING will ensure a safer and more enjoyable experience.
