

1911 SEAR SPRING, 10 PAK

[Handgun Parts](#) > [Trigger Group Parts](#) > [Sear Parts](#) > [Sear Springs](#)

Adds Reliability & Consistency To Trigger Jobs

Wolff's renowned quality standards ensure uniform thickness throughout the entire spring for consistent tension on both the sear and disconnecter. Correctly tempered so it won't take a set when left "cocked and locked".

Attributes

- Name: [1911 SEAR SPRING, 10 PAK](#)

Safety Instruction Guide for 1911 SEAR SPRING

Introduction

Thank you for choosing the 1911 SEAR SPRING. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the product to understand the necessary precautions and instructions.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunctioning of the firearm.
- Contact with the spring during installation could cause injury.

• Avoiding Hazards:

- Always wear safety glasses when handling the spring to protect your eyes.
- Use appropriate tools and follow instructions carefully during installation.
- Ensure the firearm is unloaded before beginning any work on it.

• Age Restrictions:

- This product is intended for use by adults only. Keep it away from children.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the necessary tools: a screwdriver, pliers, and safety glasses.
- Work in a clean, welllit area free from distractions.

2. Installation Steps:

- Unload the firearm and ensure it is in a safe condition.
- Remove the existing sear spring if applicable.
- Insert the new 1911 SEAR SPRING into the designated area, ensuring it is seated correctly.
- Check that the spring is properly aligned and secured.
- Reassemble the firearm according to the manufacturer's instructions.

3. Usage:

- After installation, perform a function check on the firearm to ensure proper operation.
- If any issues arise, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or defective springs in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
