# SAA SHOOTERS PAK UBERTI FLAT SHOOTERS SPRING PAK Safety Instructions

## Introduction

Thank you for choosing the SAA Shooters Pak Uberti Flat Shooters Spring Pak. This product is designed to enhance the performance of your firearm by improving reliability, trigger pull, and accuracy. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children.
- Always wear appropriate safety gear, including eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure that your shooting area is clear of people and obstacles.
- Familiarize yourself with the operation and safety features of your firearm before use.
- Follow all local laws and regulations regarding firearm use and modifications.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting any modifications or installations.
- Use only the specified springs included in this kit; do not substitute with other products.
- Be cautious when handling springs, as they can be under tension and may cause injury if released suddenly.
- Minor fitting may be required; do not force any parts into place.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools, such as screwdrivers and pliers.

### 2. Installation:

- Remove the existing mainspring and sear/bolt spring from your firearm.
- Install the reduced power mainspring and sear/bolt spring included in the kit.
- Replace the base pin spring with the extra power base pin spring from the kit.
- Install the stainless steel ejector spring as per your firearm's specifications.
- For wire sear/bolt spring models, ensure proper alignment and fit.
- For flat sear/bolt spring models, follow traditional installation methods.

### 3. Testing:

- After installation, conduct a function test to ensure that the firearm operates correctly.
- Doublecheck that all components are securely installed and functioning as intended.

### 4. Usage:

- Use your firearm in accordance with the manufacturer's guidelines and safety practices.
- Regularly inspect the installed springs for wear or damage.

## **Disposal Instructions**

- Dispose of any old springs or components in accordance with local waste management regulations.
- Ensure that disposed materials do not pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the SAA Shooters Pak Uberti Flat Shooters Spring Pak, please refer to the manufacturer's contact information provided in the product packaging.
