Safety Instruction Guide for OFFICERS ACP/P12/KIMBER & PRO CARRY COMPACT RECOIL SPRING 22 LB. OFFICERS/P12 SPRING

Introduction

Thank you for choosing the OFFICERS ACP/P12/KIMBER & PRO CARRY COMPACT RECOIL SPRING. This recoil spring is designed to replace the factory double spring on Colt Officers ACP and the single spring on ParaOrdnance P12. It is also compatible with Kimber Compact and Pro Carry models. This guide provides important safety instructions and guidelines to ensure the safe use of this product.

General Safety Guidelines

- Ensure that you are familiar with the operation and safety features of your firearm before using this recoil spring.
- Always handle firearms with care and follow all applicable safety rules.
- Store this product and all firearms in a secure location away from children and unauthorized users.
- Regularly inspect your recoil spring for any signs of wear or damage. Replace if necessary.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this recoil spring with fulldiameter (nominal .330") and fulllength aftermarket recoil spring guide rods.
- The factory standard for this recoil spring is 22 lbs. Ensure that your firearm is compatible with this specification.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid using this recoil spring if you notice any physical damage or irregularities.
- Keep the recoil spring and all firearm components clean and free of debris to maintain optimal performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before beginning installation.
- Gather necessary tools, including a recoil spring guide rod if not already installed.

2. Installation:

- Remove the factory recoil spring from your firearm.
- Carefully install the OFFICERS ACP/P12/KIMBER & PRO CARRY COMPACT RECOIL SPRING onto the recoil spring guide rod.
- Ensure that the spring is seated properly and securely.

3. Testing:

- After installation, perform a function check to ensure the firearm operates correctly.
- Test the firearm in a safe environment to confirm that the recoil spring is functioning as intended.

4. Maintenance:

- Regularly clean and lubricate the recoil spring as part of your firearm maintenance routine.
- Inspect the spring periodically for wear and replace it if any issues are found.

Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations for hazardous materials.
- Do not dispose of the recoil spring in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the OFFICERS ACP/P12/KIMBER & PRO CARRY COMPACT RECOIL SPRING, please contact the manufacturer or refer to the product packaging for additional support information.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance.
