# Safety Instruction Guide for MODEL 1903 BLITZSCHNELL STRIKER SPRING 20

## Introduction

Thank you for purchasing the MODEL 1903 BLITZSCHNELL STRIKER SPRING 20#. This product is designed to improve striker acceleration and assist in correcting ignition problems for Springfield 1903 rifles. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you are knowledgeable about the operation of your firearm and its components before installation.
- Always handle firearms with care, following the basic rules of firearm safety.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the spring and replace it if necessary.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use this spring with Springfield 1903 models as specified.
- Avoid using excessive force when installing or adjusting the spring to prevent damage.
- Ensure that the firearm is unloaded before performing any maintenance or installation procedures.
- Wear appropriate safety gear, such as eye protection, when working with firearms.
- Be aware that the installation of custom triggers may alter the performance characteristics of the spring.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and welllit.
- Gather necessary tools, including a screwdriver and any other tools specified in your firearm's manual.

### 2. Installation Steps

- Confirm that the firearm is completely unloaded.
- Remove the bolt from the firearm according to the manufacturer's instructions.
- Carefully remove the existing striker spring.
- Install the MODEL 1903 BLITZSCHNELL STRIKER SPRING 20# by following these steps:
  - Insert the new spring into the appropriate location in the bolt.
  - Ensure that the ends of the spring are seated properly for a flat fit.
  - Reassemble the bolt and reinstall it into the firearm.

### 3. PostInstallation Checks

- After installation, perform a function check to ensure the firearm operates correctly.
- Test the striker mechanism to confirm proper engagement and release.

## Disposal Instructions

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of the spring in regular household waste.
- Consider recycling options if available.

## Contact Information for Further Support

For any questions or concerns regarding the use or safety of the MODEL 1903 BLITZSCHNELL STRIKER SPRING 20#, please consult the manufacturer's customer service or refer to the product packaging for further assistance.

**Note:** This safety instruction guide is in compliance with the EU General Product Safety Regulation (GPSR). It is essential to follow these guidelines to ensure safe use and operation of your product.
