# HIGH STANDARD SPRING KITS SERVICE PACK

## Safety Instruction Guide

### Introduction

Thank you for choosing the HIGH STANDARD SPRING KITS SERVICE PACK by WOLFF. This guide provides essential safety instructions to ensure the safe use and handling of the recoil springs included in this service pack. Please read this guide carefully before use.

### General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always handle springs with care to avoid injury.
- Ensure that you are using the correct spring kit for your specific model.
- Keep springs and all related components out of reach of children and pets.
- Regularly inspect springs for wear and damage before use.
- Store springs in a dry, cool place to prevent corrosion.

### Specific Safety Precautions for Use

When using the HIGH STANDARD SPRING KITS SERVICE PACK, please observe the following precautions:

- **Potential Hazards:** Improper installation or use of springs may lead to malfunction, injury, or damage to your firearm.
- **Installation:** Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- **Personal Safety:** Wear safety glasses during installation to protect your eyes from potential spring release.
- **Age Warning:** This product is not intended for use by individuals under 18 years of age without adult supervision.

### Instructions for Installation and Usage

Follow these instructions carefully to ensure safe and proper installation and usage of the recoil springs:

#### 1. Preparation:

- Unload your firearm and ensure it is pointed in a safe direction.
- Gather necessary tools such as a screwdriver and a punch.

#### 2. Removal of Old Springs:

- Carefully disassemble the firearm according to the manufacturer's instructions.
- Remove the old springs, taking note of their positions for reinstallation.

#### 3. Installation of New Springs:

- Refer to the included diagram to identify the correct placement of each new spring.
- Install the recoil spring first, followed by the firing pin spring, extractor spring, slide lock spring, trigger bar spring, hammer spring, sear spring, magazine catch spring, and takedown spring.
- Ensure each spring is seated properly and securely.

#### 4. Reassembly:

- Reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure proper operation.

#### **5. Usage:**

- Always follow safe shooting practices when using your firearm.
- Regularly inspect the springs during routine maintenance.

## **Disposal Instructions**

When disposing of old springs or any components, please follow these guidelines:

- Dispose of springs in accordance with local regulations for metal recycling.
- Do not dispose of springs in regular household waste.
- If in doubt, contact your local waste management authority for guidance.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to your local authorities or the manufacturer's customer service.

## **Conclusion**

By following these safety instructions, you can ensure the safe use of the HIGH STANDARD SPRING KITS SERVICE PACK. Please stay informed about product recalls and safety updates through the EU's Safety Gate platform. Your safety is our priority.
