Safety Instruction Guide for 1911 EXTRA POWER MAGAZINE SPRINGS 8ROUND

Introduction

Thank you for choosing the 1911 EXTRA POWER MAGAZINE SPRINGS 8ROUND. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. It is crucial to follow these instructions to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that the magazine springs are compatible with your firearm model before use.
- Always handle magazines and ammunition with care to avoid accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine springs for signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:**
 - Confirm that the magazine springs are suitable for your specific 1911 model (Government, Commander, or Officers ACP).
 - Note that these springs will not allow 8round capacity in Sig GSR magazines.
- **Handling:**
 - Always treat every firearm as if it is loaded.
 - Store magazines and ammunition in a secure location.
 - Avoid using excessive force during installation.
- **Installation:**
 - Follow the installation instructions carefully to prevent malfunctions.
 - Ensure that the springs are seated properly within the magazine.
- **Usage:**
 - Use only recommended ammunition types to maintain optimal performance.
 - Monitor the magazine's performance during use and discontinue if any irregularities occur.
- **Maintenance:**
 - Clean and maintain your magazine springs regularly to ensure longevity.
 - Replace any springs that show signs of wear or damage promptly.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.

- Carefully disassemble the magazine according to the manufacturer's instructions.
- Replace the old springs with the new EXTRA POWER MAGAZINE SPRINGS, ensuring they are correctly oriented.
- Reassemble the magazine and ensure it functions properly before use.

2. Usage:

- Load the magazine with the appropriate number of rounds (up to 8 rounds for compatible models).
- Insert the magazine into the firearm until it locks in place.
- Always perform a function check to ensure proper feeding and cycling.

3. PostUsage:

- After use, unload the firearm and remove the magazine.
- Store the magazine and ammunition in a safe location.

Disposal Instructions

- Dispose of any damaged or worn magazine springs in accordance with local regulations.
- Do not dispose of springs in regular household waste.
- Check for local recycling programs that accept metal components.

Contact Information for Further Support

For any inquiries or concerns regarding the 1911 EXTRA POWER MAGAZINE SPRINGS 8ROUND, please refer to the manufacturer's contact information provided with your product. It is important to reach out to a qualified professional for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 EXTRA POWER MAGAZINE SPRINGS 8ROUND. Thank you for your attention to these important guidelines.
