Introduction

Thank you for choosing the 1911 Extra Power Magazine Springs by Wolff. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

To ensure the safe use of the 1911 Extra Power Magazine Springs, please adhere to the following guidelines:

- Always handle firearms and accessories with care and in accordance with applicable laws and regulations.
- Ensure that the product is suitable for your specific firearm model before installation.
- Use only as intended; do not modify the product.
- Regularly inspect the springs for signs of wear or damage.
- Store the product in a safe, dry place away from children and unauthorized users.

Specific Safety Precautions for Use

When using the 1911 Extra Power Magazine Springs, please observe the following precautions:

- Ensure that the firearm is unloaded before installing or replacing the magazine springs.
- Follow the manufacturer's instructions for your specific firearm model to avoid compatibility issues.
- Do not exceed the recommended load capacity to prevent malfunction.
- Be aware that these springs are designed for specific models and may not function correctly in other firearms.
- Use caution when handling springs, as they can be under tension and may cause injury if released unexpectedly.

Instructions for Installation and Usage

Follow these steps to safely install and use the 1911 Extra Power Magazine Springs:

1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather the necessary tools and safety equipment (e.g., safety glasses).

2. Installation:

- Ensure the firearm is completely unloaded.
- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Remove the old springs from the magazine.
- Insert the new Wolff Extra Power Springs into the magazine, ensuring they are seated correctly.
- Reassemble the magazine and ensure it functions properly before use.

3. Usage:

- Load the magazine with ammunition as per the manufacturer's guidelines.
- Insert the magazine into the firearm, ensuring it locks securely in place.
- Test the firearm in a safe environment to confirm proper feeding and function.

Disposal Instructions

When disposing of old or damaged magazine springs, please follow these guidelines:

- Do not dispose of springs in regular trash. Instead, recycle or dispose of them according to local regulations.
- If unsure about disposal methods, contact your local waste management authority for guidance.
