EXTRA POWER MAGAZINE SPRINGS FOR GLOCK® WOLFF +10% POWER SPRING, 3PAK

Introduction

Thank you for choosing the EXTRA POWER MAGAZINE SPRINGS FOR GLOCK® WOLFF +10% POWER SPRING, 3PAK. This product is designed to enhance the performance of your Glock® highcapacity magazines by increasing pressure, which stabilizes the follower and improves feeding. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms and accessories with care and follow the manufacturer's instructions.
- Ensure that the product is compatible with your specific Glock® model before use.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the springs for wear or damage before installation.
- Report any safety concerns, accidents, or incidents involving this product to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of your magazine when using these springs.
- Avoid using the product in extreme conditions, such as high humidity or extreme temperatures, which may affect performance.
- Ensure that the magazine is completely unloaded before installing or replacing the springs.
- Use appropriate tools and protective gear when handling the springs to avoid injury.
- If you experience any feeding issues or malfunctions, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a flathead screwdriver and safety goggles.

2. Removal of Old Springs

- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Carefully remove the old springs from the magazine.

3. Installation of New Springs

- Take the new Wolff +10% power springs from the package.
- Insert the new spring into the magazine, ensuring it is seated properly at the base.
- Reassemble the magazine according to the manufacturer's instructions.

4. Testing the Magazine

- Load the magazine with the appropriate ammunition.
- Insert the magazine into the firearm and perform a function check.
- Ensure smooth feeding and proper operation before regular use.

5. Regular Maintenance

- Periodically inspect the springs and magazine for wear or damage.
- Clean the magazine and springs regularly to prevent buildup of dirt or debris.

Disposal Instructions

- Dispose of old springs and any packaging materials in accordance with local regulations.
- Do not dispose of springs in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or contact the designated EU-based contact point for assistance.

By following these safety instructions, you can ensure the safe and effective use of the EXTRA POWER MAGAZINE SPRINGS FOR GLOCK® WOLFF +10% POWER SPRING. Always prioritize safety and comply with local laws and regulations regarding firearms and accessories.
