

ARKANSAS STONE SET - ARKANSAS 4-STONE SET

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Stones](#)

Natural Stones In Ideal Gunsmithing Shapes

Carbon steels just seem to polish best with a genuine Arkansas stone and the four shapes in the kit have proven to be the most useful in the gun shop. The edges are nice and clean, making them an excellent choice for flat trigger and sear faces plus most other gunshop fitting chores. Fine cut, white hard Arkansas.

Safety Instructions for the Arkansas Stone Set

Introduction

Thank you for purchasing the Arkansas Stone Set. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the stones.

General Safety Guidelines

- Always handle the stones with care to avoid injury.
- Store the stones in a safe, dry place out of reach of children.
- Inspect the stones before each use for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, during use.
- Do not use the stones for any purpose other than intended sharpening tasks.

Specific Safety Precautions for Use

- Ensure that your work area is clean and free from distractions.
- Always secure the item being sharpened to prevent slipping.
- Avoid applying excessive pressure while sharpening to maintain control and prevent accidents.
- Keep fingers away from the sharpening area to avoid cuts.
- If using water or oil with the stones, ensure the workspace is not slippery.

Instructions for Installation and Usage

1. Preparation:

- Clean the stones with a damp cloth before first use.
- If desired, soak the stones in water for 1015 minutes to enhance performance.

2. Using the Stones:

- For flat surfaces (Triangle and Square):
 - Hold the stone firmly and maintain a consistent angle while sharpening.
- For rounded surfaces (Round):
 - Gently roll the item against the stone, ensuring even contact.
- For knife tapers:
 - Start at the thick end and work toward the tip, maintaining a steady angle.

3. PostUse Care:

- Rinse the stones with water and dry them thoroughly after each use.
- Store the stones in their original packaging or a designated safe area.

Disposal Instructions

- Dispose of the stones in accordance with local regulations.
- Do not dispose of the stones in regular household waste if they are damaged or broken.
- Check with local authorities for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact information provided with your product. It is important to reach out to the manufacturer or retailer for any concerns regarding product safety or

performance.

Conclusion

By following these safety instructions, you can ensure a safe and effective sharpening experience with your Arkansas Stone Set. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for choosing our product.
