

FACTORY LOGO RECOIL PADS - WINCHESTER RECOIL PAD, SOLID

[Home](#)

The Final Detail For An Accurate Restoration

Makes your restorations as accurate and valuable as possible. These red-brown rubber pads are exact reproductions of those used in the early 1900's. The Hawkins was a commonly-used, turn of the century, aftermarket pad. This faithful re-creation has the original Hawkins logo in the center and is available with the original, diamond heart pattern vents or horizontal square vents. The Winchester Vented is a copy of the original pad on early 1920's Winchesters the includes the Winchester logo and the legend "MADE IN U.S.A." above the logo and "TRADE MARK PAT. JUNE 6, 1922" correctly placed below it. Winchester Solid is a solid red pad modeled after that of many original pre-'64 Winchesters including the Model 70, Model 12, Model 21, plus all lever action and pump models. Raised lettering Winchester logo. Early Noshoc pad provides an opportunity to put the correct era pad on many high-grade American guns. Used by Parker, Fox, L.C. Smith, Remington, Winchester, and Lefever. Raised lettering reads "NOSHOC" with the legend "PATENTED JUNE 6, 1922" above the logo and "MADE IN U.S.A" below it. The Universal pad is available in red and works well on a variety of custom stocks. Screw holes are $3\frac{1}{4}$ " apart; midway between these holes is an internal cavity $\frac{3}{4}$ " wide and $2\frac{1}{8}$ " long.

Safety Instruction Guide for FACTORY LOGO RECOIL PADS WINCHESTER RECOIL PAD, SOLID

Introduction

Thank you for choosing the FACTORY LOGO RECOIL PADS WINCHESTER RECOIL PAD, SOLID. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

General Safety Guidelines

- Ensure that the recoil pad is compatible with your firearm before installation.
- Always inspect the recoil pad for any signs of damage or wear before use.
- Keep the recoil pad out of reach of children and vulnerable individuals when not in use.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- Use the recoil pad only for its intended purpose as specified in the product description.
- Do not modify the recoil pad in any way, as this could compromise its safety and effectiveness.
- If you experience any discomfort or issues while using the recoil pad, discontinue use immediately and consult a professional.
- Ensure that the recoil pad is securely attached to the firearm before use to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing recoil pad from the firearm, if applicable.
- Align the recoil pad with the stock of the firearm, ensuring that the screw holes match.
- Secure the recoil pad using the provided screws. Ensure that the screws are tightened adequately but avoid overtightening.
- Confirm that the recoil pad is firmly attached and does not move when pulled.

2. Usage:

- Before shooting, ensure that the recoil pad is properly installed and that all safety features of the firearm are engaged.
- Maintain a proper shooting stance to maximize the effectiveness of the recoil pad.
- After use, clean the recoil pad according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of the recoil pad in accordance with local waste disposal regulations.
- If the recoil pad is damaged or no longer usable, consider recycling options if available in your area.
- Do not dispose of the recoil pad in fire, as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the FACTORY LOGO RECOIL PADS WINCHESTER RECOIL PAD, SOLID, please refer to the manufacturer's contact details provided with the product packaging.

By following these guidelines, you can ensure a safe and enjoyable experience with your recoil pad. Thank you for prioritizing safety and compliance with EU regulations.
