

MARLIN 1895/336/444 BEAR-PROOF EJECTOR - WILD WEST GUNS BLUED BEAR PROOF EJECTOR

[Rifle Parts](#) > [Bolt Parts](#) > [Ejector Parts](#) > [Ejectors](#)

Improves Ejection Reliability With Heavy, Bear-Stopping Loads

EDM-cut, one-piece ejector gives positive, reliable ejection with the heaviest hunting loads. Replaces the lighter, and easily broken, two-piece, factory part. Prevents broken parts from jamming action. Improves ejection, ensures empties are thrown clear of the receiver. A real life saver when hunting dangerous game in adverse conditions. Fits all modern Marlin center fire rifles 1895, 1895G, 1895GS, 1895M, 450M, 444, 336 and 1894 models. Drop-in fit; gunsmith installation is recommended.

MARLIN 1895/336/444 BEARPROOF EJECTOR

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MARLIN 1895/336/444 BearProof Ejector manufactured by Wild West Guns. This product is designed to enhance the performance of your Marlin centerfire rifle by providing reliable ejection of spent cartridges. Please read this safety instruction guide carefully to ensure safe and effective use of the ejector.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Ensure that the ejector is installed correctly before use.
- Be aware of your surroundings and ensure a clear shooting area.
- Use appropriate ammunition for your firearm model.
- Regularly inspect your firearm and ejector for any signs of wear or damage.
- Ensure the ejector is compatible with your specific Marlin model before installation.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the ejector with Marlin models 1895, 1895G, 1895GS, 1895M, 450M, 444, 336, and 1894.
- Ensure the firearm is unloaded before installation or maintenance of the ejector.
- Avoid using the ejector in adverse weather conditions that may affect its performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Keep hands and face clear of the ejection port during operation.
- Do not attempt to modify the ejector or firearm components.

Instructions for Installation and Usage

Installation

1. Ensure your firearm is completely unloaded.
2. Remove the existing ejector from your Marlin rifle.
3. Clean the ejector housing to remove any debris or residue.
4. Carefully install the MARLIN BearProof Ejector into the housing, ensuring it is seated properly.
5. Check that the ejector moves freely and does not obstruct any other parts.
6. Reassemble your firearm according to the manufacturer's instructions.

Usage

- Load your firearm with appropriate ammunition.
- When firing, maintain a firm grip and proper stance.
- After firing, observe the ejection of spent cartridges to ensure proper function.
- If the ejector fails to operate correctly, stop using the firearm and have it inspected by a qualified gunsmith.

Disposal Instructions

- Dispose of the ejector in accordance with local regulations regarding metal and firearm parts.

- Ensure that all components are disposed of safely and do not pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the MARLIN BearProof Ejector, please refer to the manufacturer's website or contact their support team directly.

By following these guidelines, you can ensure the safe and effective use of your MARLIN 1895/336/444 BearProof Ejector. Always prioritize safety and be aware of your responsibilities as a firearm owner. Thank you for your attention to these important safety instructions.
