MARLIN ALUMINUM MAGAZINE FOLLOWER

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Marlin Aluminum Magazine Follower from Wild West Guns. This product is designed to enhance the functionality of your Marlin 1894 (.44) and 1895 firearms. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the magazine follower.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Inspect the aluminum magazine follower for any sharp edges or burrs before installation.
- Do not use the magazine follower if it appears damaged or defective.
- Ensure that the magazine follower is compatible with your specific firearm model (Marlin 1894 or 1895).
- Follow all local laws and regulations regarding firearm modifications and use.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

2. Installation:

- Remove the existing ABS plastic magazine follower from the firearm.
- Carefully insert the aluminum magazine follower into the magazine according to the manufacturer's specifications.
- Ensure that the follower moves freely within the magazine and is properly seated.

3. Usage:

- Load the magazine with ammunition following the manufacturer's guidelines.
- Test the functionality of the magazine follower by cycling the action of the firearm without live ammunition.
- Always conduct a function check before using the firearm in a livefire situation.

Disposal Instructions

- Dispose of the original ABS plastic magazine follower in accordance with local waste disposal regulations.
- The aluminum magazine follower can typically be recycled. Check with local recycling facilities for specific guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Marlin Aluminum Magazine Follower, please contact the manufacturer or the retailer from whom you purchased the product. It is essential to have the product's details handy for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your Marlin Aluminum Magazine Follower. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
