

# **MARLIN 1895/336/444 BEAR-PROOF EJECTOR - WILD WEST GUNS NICKEL BEAR PROOF EJECTOR**

[Rifle Parts](#) > [Bolt Parts](#) > [Ejector Parts](#) > [Ejectors](#)

## **Improves Ejection Reliability With Heavy, Bear-Stopping Loads**

EDM-cut, one-piece ejector gives positive, reliable ejection with the heaviest hunting loads. Replaces the lighter, and easily broken, two-piece, factory part. Prevents broken parts from jamming action. Improves ejection, ensures empties are thrown clear of the receiver. A real life saver when hunting dangerous game in adverse conditions. Fits all modern Marlin center fire rifles 1895, 1895G, 1895GS, 1895M, 450M, 444, 336 and 1894 models. Drop-in fit; gunsmith installation is recommended.

# MARLIN 1895/336/444 BEARPROOF EJECTOR SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MARLIN 1895/336/444 BearProof Ejector from Wild West Guns. This product is designed to enhance the performance of your Marlin centerfire rifle while ensuring a safe and reliable ejection process. Please read this safety instruction guide carefully to ensure proper use and maintenance of the ejector.

## General Safety Guidelines

- Always treat firearms with respect and handle them as if they are loaded.
- Ensure that you are familiar with the operation of your Marlin rifle before installing or using the ejector.
- Store your firearm and its components in a secure location, out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing the ejector.
- Only use the ejector with compatible Marlin models: 1895, 1895G, 1895GS, 1895M, 450M, 444, 336, and 1894.
- Do not attempt to modify or alter the ejector in any way.
- If you experience any malfunctions or issues with the ejector, cease use immediately and consult a qualified gunsmith.
- Be aware that the ejector is designed for heavy hunting loads; using lighter loads may not yield optimal performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools: screwdriver, cleaning cloth, and any other tools recommended by the manufacturer.

### 2. Installation:

- Remove the existing twopiece factory ejector from your Marlin rifle.
- Clean the area where the ejector will be installed.
- Carefully insert the EDMcut, onepiece ejector into the designated slot.
- Ensure that the ejector fits snugly and is properly aligned.
- Secure the ejector in place according to the manufacturer's recommendations.

### 3. Usage:

- After installation, perform a function check to ensure proper operation.
- Load the rifle with appropriate ammunition and ensure that the action cycles smoothly.
- Monitor the performance of the ejector during use, checking for any signs of malfunction.

#### 4. PostUse Care:

- Clean the ejector and surrounding areas after each use to prevent buildup of debris.
- Regularly inspect the ejector for wear and tear, and replace if necessary.

## Disposal Instructions

- Dispose of any damaged or nonfunctional ejectors in accordance with local regulations.
- Do not dispose of the ejector in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the MARLIN 1895/336/444 BearProof Ejector, please refer to the manufacturer's contact details provided with your product packaging. Ensure to keep this safety instruction guide for future reference.

Thank you for prioritizing safety in your shooting activities. Enjoy your enhanced shooting experience with the MARLIN BearProof Ejector!
