

PRE-FINISHED REPLACEMENT SHOTGUN BUTTSTOCKS - WINCHESTER MODEL 12 12 GAUGE BUTTSTOCK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Provides A Factory Quality Fit With Hardly Any Work; Matches The Original Contour Of The Factory Stock

Classic, American Walnut stocks are sanded and given a three-coat, Danish oil finish to provide excellent weather resistance and durability. Quality, straight-grained wood looks sharp and is easy to touch up if the stock is nicked or dinged. Includes plastic buttplate. 95% inletted and ready to install; only requires minor fitting.

Safety Instruction Guide for PreFinished Replacement Shotgun Buttstocks

Introduction

Thank you for choosing the PreFinished Replacement Shotgun Buttstock for your Winchester Model 12, 12 Gauge shotgun. This guide provides important safety information, installation instructions, and general guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Before installation, ensure that the shotgun is unloaded and the action is open.
- Inspect the buttstock for any visible damage or defects before use. Do not use if damaged.
- Keep this product out of reach of children and unauthorized users.
- Use protective eyewear when working with tools during installation.
- Familiarize yourself with the specific safety features of your shotgun model.

Specific Safety Precautions for Use

- Ensure that the buttstock is securely attached before using the shotgun. A loose buttstock can lead to accidents.
- Avoid using the shotgun in wet or humid conditions if possible, as moisture can affect the wood finish and integrity.
- Do not modify the buttstock or attempt to alter its design. Unauthorized modifications can compromise safety.
- Regularly check for wear and tear, especially after extended use. Replace the buttstock if any issues are found.
- If the shotgun is to be used by youth or inexperienced users, provide proper supervision and training.

Instructions for Installation and Usage

1. Prepare the Work Area

- Work in a clean, welllit area free of distractions.
- Gather necessary tools such as screwdrivers and a fitting tool if needed.

2. Remove the Old Buttstock

- Ensure the shotgun is unloaded.
- Carefully remove the screws or hardware holding the old buttstock in place.
- Set the old buttstock aside.

3. Install the New Buttstock

- Align the new buttstock with the receiver of the shotgun.
- Insert the original hardware and tighten securely. Do not overtighten, as this may damage the wood.
- Check alignment and ensure the buttstock is firmly attached.

4. Final Inspection

- Inspect the installation for any gaps or misalignments.

- Test the fit by gently pulling the buttstock to ensure it does not loosen.

5. Usage

- Familiarize yourself with the shotgun's operation and safety features.
- Practice safe handling and storage of the firearm.

Disposal Instructions

- Dispose of any packaging materials responsibly.
- If the buttstock needs to be replaced or discarded, consider recycling the wood if possible.
- Follow local regulations for the disposal of firearm accessories.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any issues that may arise during installation or use.

Thank you for your attention to these safety guidelines. Enjoy your new PreFinished Replacement Shotgun Buttstock and handle your firearm responsibly.
