## SAVAGE 24 WOOD BUTTSTOCK AND FOREND SET

[Rifle Parts](#) > [Stock Parts](#) > [Furniture Sets](#)

### Provides A Factory Quality Fit With Hardly Any Work

Classic, American Walnut stocks are sanded and given a three-coat, Danish oil finish to provide excellent weather resistance and durability. Quality, straight-grained wood looks sharp and is easy to touch up if the stock is nicked or dinged. Includes plastic buttplate. 95% inleted and ready to install; only requires minor fitting.

# Safety Instruction Guide for SAVAGE 24 WOOD BUTTSTOCK AND FOREND SET

## Introduction

Thank you for choosing the SAVAGE 24 WOOD BUTTSTOCK AND FOREND SET. This product is designed to enhance your firearm experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

## General Safety Guidelines

- Always handle firearms with care and responsibility.
- Ensure that the firearm is unloaded before installing or modifying any parts.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the wood buttstock and forend for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the wood buttstock and forend are compatible with your specific Savage 24 model.
- Avoid exposing the wood components to extreme temperatures or moisture, which could cause warping or damage.
- Use caution when fitting the buttstock and forend; excessive force may damage the wood.
- If the wood is nicked or dinged, touch up carefully to maintain the integrity of the finish.
- Always wear protective eyewear when working on or near firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your workspace is clean and free from distractions.
- Gather all necessary tools for installation, including screwdrivers and any fitting tools you may need.

### 2. Installation Steps

- Verify that the firearm is unloaded and safe to work on.
- Remove the existing buttstock and forend from your Savage 24 according to the manufacturer's instructions.
- Align the new wood buttstock with the receiver and ensure it is positioned correctly.
- Secure the buttstock using the original hardware, taking care not to overtighten.
- For the forend, align it with the barrel and ensure it fits snugly.
- If needed, minor fitting may be required to adapt the forend for different barrel diameters. Proceed cautiously to avoid damaging the wood.
- Once installed, check that all components are secure and functioning properly.

### 3. Usage Tips

- Regularly check the integrity of the installation, especially if the firearm is used frequently.
- Clean the wood with a soft, dry cloth to maintain its appearance and finish.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the wood components become damaged beyond repair, dispose of them responsibly, considering recycling options where available.
- Do not burn the wood components, as this may release harmful substances.

## Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer's contact information provided with your product packaging. Always consult with a qualified professional if you have concerns about the safety or functionality of your firearm and its components.

By following these guidelines, you can ensure a safe and enjoyable experience with your SAVAGE 24 WOOD BUTTSTOCK AND FOREND SET. Thank you for your attention to safety.
