

# MAUSER 98 STOCK SPORTER - MAUSER 98 STOCK WOOD BROWN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## Monte Carlo Style In Traditional Walnut For Comfortable Carry, Quick Handling

Classic lines and quality walnut enhance the looks and accuracy of the small or large ring Mauser action. Raised cheekpiece puts your eye right in line with the scope; forward slope (lowered nose) diminishes the effects of recoil. Receiver area is fully inleted, barrel channel is semi-inleted, lets you get an exact fit to your barrel contour. Fully machined and sanded; includes hard plastic buttplate. Stock requires final sanding before applying stain and finish.

# MAUSER 98 Stock Safety Instructions

## Introduction

Thank you for choosing the MAUSER 98 Stock Sporter. This guide provides essential safety instructions to ensure the safe and effective use of your rifle stock. Please read and follow all instructions carefully.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that you are in a safe environment when handling your rifle.
- Store your firearm and ammunition separately and securely.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure the stock is compatible with your rifle model (e.g., small ring model 95 and 96, large ring model 98, VZ24, and commercial receivers).
- Inspect the stock for any signs of damage or defects before use.
- Be aware that improper installation may lead to malfunctions or accidents.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify the stock in any way that could compromise its integrity or safety.
- Avoid using the rifle in adverse weather conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all necessary tools for installation.
- Work in a clean, dry area to prevent dirt or debris from entering the firearm.

### 2. Installation:

- Carefully remove the existing stock from your rifle according to the manufacturer's instructions.
- Align the MAUSER 98 Stock with the action of your rifle, ensuring proper fit.
- Secure the stock using the appropriate screws, ensuring they are tightened to the manufacturer's specifications.
- Check the alignment of the barrel and ensure that the barrel channel is properly fitted.

### 3. Final Touches:

- Sand the stock lightly to ensure a smooth finish before applying stain and finish.
- Apply a protective finish suitable for wood to enhance durability and appearance.

### 4. Usage:

- Always check the stock and rifle before each use to ensure everything is secure and in good condition.
- Practice safe shooting habits and be mindful of your surroundings.

## Disposal Instructions

- Dispose of any damaged or unusable stocks in accordance with local regulations.

- If you need to dispose of the stock, consider recycling wood materials if possible.
- Avoid burning treated wood products, as they may release harmful chemicals.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please consult your local firearms dealer or manufacturer. Always ensure that you have access to accurate and up-to-date information regarding your firearm and accessories.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MAUSER 98 Stock Sporter. Always prioritize safety and comply with all regulations to protect yourself and others. Thank you for your attention to these important guidelines.
