## Monte Carlo Style In Traditional Walnut For Comfortable Carry, Quick Handling

Classic lines and quality walnut enhance the looks and accuracy of the small or large ring Mauser action. Raised cheekpiece puts your eye right in line with the scope; forward slope (lowered nose) diminishes the effects of recoil. Receiver area is fully inletted, barrel channel is semi-inletted, lets you get an exact fit to your barrel contour. Fully machined and sanded; includes hard plastic buttplate. Stock requires final sanding before applying stain and finish.

## Introduction

Thank you for choosing the MAUSER YUGO 48 STOCK SPORTER WOOD. This guide provides essential safety instructions to ensure safe and effective use of your product. By following these guidelines, you can help prevent accidents and injuries while enjoying your firearm.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and stock securely, away from children and unauthorized users.
- Use appropriate safety gear when handling or firing the firearm.
- Familiarize yourself with local laws and regulations regarding firearm ownership and use.
- Regularly inspect the firearm and stock for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the stock is properly fitted to the firearm before use.
- Verify that the barrel channel is free from obstructions.
- Use only compatible models as specified in the product specifications.
- Avoid using the firearm in wet or humid conditions to prevent damage to the wood.
- Do not modify the stock or firearm in any way that could compromise safety.
- Always check the integrity of the buttplate before use.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the existing stock from the firearm following the manufacturer's instructions.
- Carefully align the MAUSER YUGO 48 STOCK with the action of the firearm.
- Ensure that the receiver area is fully seated in the stock.
- Secure the stock using the appropriate screws and ensure they are tightened to the manufacturer's specifications.
- Check that the barrel is correctly seated in the barrel channel.

### 2. Usage:

- Before firing, ensure that you have a clear line of sight and a safe backdrop.
- Adjust the raised cheekpiece to ensure proper alignment with your scope.
- Maintain a firm grip on the firearm, keeping your finger off the trigger until you are ready to shoot.
- After use, clean the stock and firearm according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the stock and any associated materials in accordance with local regulations.
- Do not burn wood products as they may release harmful chemicals.
- Consider recycling options for wood materials if available in your area.
