

MODEL 99 PRE-FINISHED REPLACEMENT RIFLE FOREND - WOOD PLUS FOREND FITS SAVAGE 99

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Provides A Factory Quality Fit With Hardly Any Work

Classic, American Walnut forends are sanded and given a three-coat, Danish oil finish to provide excellent weather resistance and durability. Quality, straight-grained wood looks sharp and is easy to touch up if the forend is nicked or dinged.

Safety Instruction Guide for MODEL 99 PREFINISHED REPLACEMENT RIFLE FOREND WOOD PLUS

Introduction

Thank you for choosing the MODEL 99 PreFinished Replacement Rifle Forend Wood Plus by Wood Plus. This guide provides essential safety instructions and precautions to ensure the safe use of this product. Please read and follow these instructions carefully to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Inspect the forend for any visible defects or damage before use.
- Store the forend in a dry, cool place to prevent warping or damage.
- Keep the forend out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage during use.

Specific Safety Precautions for Use

- Avoid using the forend if you notice any cracks, splits, or other damage.
- Do not expose the forend to extreme temperatures or direct sunlight for prolonged periods.
- When handling the forend, use proper protective gear, such as gloves, to prevent splinters.
- Ensure that the forend is securely attached to your firearm before use.
- If the forend becomes wet, dry it thoroughly before storage or use to prevent mold and deterioration.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools for installation, including a screwdriver and any required hardware.
- Ensure your workspace is clean and free from distractions.

2. Installation

- Remove the existing forend from your Savage 99 rifle by unscrewing the hardware.
- Align the new forend with the mounting points on your rifle.
- Secure the forend using the original hardware, ensuring it is tightly fastened.
- Check that the forend is properly aligned and does not obstruct any moving parts.

3. Usage

- Before use, perform a thorough inspection of the forend and firearm.
- Practice safe handling of your firearm at all times.
- If you encounter any issues during usage, cease operation immediately and inspect the forend for damage.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the forend becomes damaged beyond repair, dispose of it in accordance with local regulations for wood waste.

- Do not burn the forend, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MODEL 99 PreFinished Replacement Rifle Forend Wood Plus, please contact the manufacturer or your local dealer. It is important to ensure that you have access to support for any questions or issues that may arise.

By following these safety guidelines and instructions, you can enjoy the benefits of your new forend while minimizing risks. Thank you for your attention to safety and for choosing our product.
