

PRE-FINISHED REPLACEMENT SHOTGUN BUTTSTOCKS - REMINGTON 1100/1187 YOUTH 20 GAUGE BUTTSTOCK

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Buttstocks](#)

Provides A Factory Quality Fit With Hardly Any Work; Matches The Original Contour Of The Factory Stock

Classic, American Walnut stocks are sanded and given a three-coat, Danish oil finish to provide excellent weather resistance and durability. Quality, straight-grained wood looks sharp and is easy to touch up if the stock is nicked or dinged. Includes plastic buttplate. 95% inletted and ready to install; only requires minor fitting.

Safety Instruction Guide for PREFINISHED REPLACEMENT SHOTGUN BUTTSTOCKS REMINGTON 1100/1187 YOUTH 20 GAUGE BUTTSTOCK

Introduction

Thank you for choosing the PREFINISHED REPLACEMENT SHOTGUN BUTTSTOCKS for your Remington 1100/1187 Youth 20 Gauge shotgun. This guide provides essential safety instructions and usage information to ensure your safety and the optimal performance of the product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Always ensure that the shotgun is unloaded before handling or installing the buttstock.
- Keep firearms and ammunition out of reach of children and unauthorized persons.
- Use protective eyewear and gloves during installation to avoid injury.
- Inspect the buttstock for any signs of damage before installation. Do not use if damaged.
- Ensure that the installation area is clean and free from distractions.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- **For Youth Users:** Always supervise youth when using firearms. Ensure they understand the importance of safety and proper handling.
- **Installation Precautions:**
 - Use appropriate tools for fitting the buttstock.
 - Avoid excessive force when fitting to prevent damage to the stock or the firearm.
- **Weather Considerations:** The buttstock is designed for durability; however, avoid exposing it to extreme weather conditions for prolonged periods.
- **Maintenance:** Regularly check the buttstock for wear and tear. Address any issues immediately to ensure safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any other required equipment.
- Ensure the shotgun is in a safe, stable position.

2. Removal of the Old Buttstock:

- Unscrew and remove the existing buttstock from the shotgun.
- Keep all hardware as it may be required for the new installation.

3. Fitting the New Buttstock:

- Align the new buttstock with the shotgun's receiver.
- Ensure that the buttstock is 95% inletted and ready for installation.
- Use the original hardware to secure the buttstock in place.

- Tighten screws gently to avoid stripping or damaging the wood.

4. Final Check:

- After installation, ensure that the buttstock is securely attached and that there are no loose parts.
- Conduct a safety check to confirm that the shotgun operates correctly with the new buttstock.

5. Usage:

- Familiarize yourself with the feel and handling of the shotgun after the installation of the new buttstock.
- Always follow safe shooting practices and guidelines.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the buttstock becomes damaged beyond repair, dispose of it in a manner that prevents any potential hazards.

Contact Information for Further Support

For any inquiries regarding safety, installation, or maintenance, please refer to the manufacturer or your local authorized dealer for assistance. Always ensure that you are following the latest safety guidelines and regulations.

By following these instructions and guidelines, you will help ensure a safe and enjoyable experience with your new PREFINISHED REPLACEMENT SHOTGUN BUTTSTOCK. Thank you for your attention to safety and for choosing our product.
