

# MAUSER 98 STOCK SPORTER WOOD BROWN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## Real Walnut Offers Traditional Appearance & Excellent Service

The beauty and warmth of real walnut for military Mauser and Savage 110 rifles. Finished stocks are fully inleted with factory, sporter barrel channel; requires only minor inletting to fit larger barrels. Completely sanded, stained and finished with three coats of Watco oil for an attractive, durable finish that resists weather and is easy to touch up. Includes hard non-slip butt plate. Mauser 96 has 9/16" barrel channel. Unfinished stocks are fully shaped with factory, sporter barrel channel; requires only final sanding and finish. Mauser 96 is 95% inleted with 9/16" diameter barrel channel for custom fitting. Furnished without butt plate.

# MAUSER 98 STOCK SPORTER Safety Instruction Guide

## Introduction

Thank you for choosing the MAUSER 98 STOCK SPORTER. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your rifle stock. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and their components with care and in accordance with safety protocols.
- Ensure that the rifle is unloaded before installing or removing the stock.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Regularly inspect the stock for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- When fitting the stock to your rifle, ensure that the inletting is appropriate for your specific model to avoid any fitting issues.
- Use protective eyewear when sanding or finishing the stock to prevent injury from dust or debris.
- Always use a wellventilated area when applying finishes or stains to the stock to avoid inhalation of fumes.
- Ensure that the hard nonslip butt plate is securely attached before use to prevent slipping during shooting.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including sandpaper, finish, and any additional fittings required.
- Ensure that your workspace is clean and organized.

### 2. Fitting the Stock:

- For finished stocks:
  - Place the stock on a flat surface.
  - Carefully align the rifle action with the stock.
  - Minor inletting may be required to accommodate larger barrels.
- For unfinished stocks:
  - Shape the stock as needed, ensuring that the factory sporter barrel channel is maintained.
  - Complete the final sanding and apply the desired finish.

### 3. Attaching the Butt Plate:

- If using the unfinished stock, ensure that the butt plate is attached securely before use.
- Follow the manufacturer's instructions for attaching the butt plate if applicable.

### 4. Final Inspection:

- After installation, conduct a thorough inspection of the stock and fittings.
- Ensure that all screws and components are tight and secure.

## Disposal Instructions

- Dispose of any unused materials, such as wood shavings and chemical finishes, in accordance with local regulations.
- Do not incinerate or dispose of hazardous materials in regular waste.

## Contact Information for Further Support

For any questions or concerns regarding the MAUSER 98 STOCK SPORTER, please consult the manufacturer's website or contact their customer service for assistance.

## Conclusion

By following these safety instructions and guidelines, you can enjoy the use of your MAUSER 98 STOCK SPORTER with confidence. Always prioritize safety and responsible handling practices. Thank you for your attention to these important safety measures.
