MARLIN 336 PISTOL GRIP STOCK (UNFINISHED)

Safety Instruction Guide

Introduction

Thank you for choosing the MARLIN 336 PISTOL GRIP STOCK (UNFINISHED). This guide provides essential safety instructions and guidelines to ensure the safe installation and use of your product. Please read this guide carefully before proceeding.

General Safety Guidelines

- Ensure that you are familiar with the safety standards and regulations applicable to firearm accessories in your region.
- Always handle wood products with care to avoid splinters or injury.
- Keep the stock out of reach of children and vulnerable individuals.
- Inspect the product for any defects or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This product is designed for use with the Marlin 336 rifle. Ensure compatibility before installation.
- Do not attempt to modify the stock beyond the recommended sanding and finishing.
- Avoid using harsh chemicals or solvents on the unfinished stock.
- Always wear safety gear, such as goggles and gloves, when sanding or finishing the wood.
- Ensure that the workspace is wellventilated when applying stains or finishes.
- If you are inexperienced with woodworking, seek assistance from a qualified individual.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including sandpaper, wood stain, and finish.
- Ensure that your workspace is clean and organized.

2. Fitting the Stock

- Carefully check the inletted areas of the stock to ensure proper fit with your action.
- Make any necessary adjustments using sandpaper, focusing on areas that require a closer fit.

3. Sanding

- Begin sanding with a coarse grit sandpaper and gradually move to finer grits for a smooth finish.
- Sand in the direction of the grain to avoid damaging the wood.

4. Staining and Finishing

- Once satisfied with the sanding, apply wood stain as per the manufacturer's instructions.
- Allow the stain to dry completely before applying a finish.
- Choose a suitable finish (e.g., polyurethane, varnish) and apply it according to the instructions, ensuring even coverage.

5. Final Assembly

- Once the finish has dried, attach the stock to the firearm using original hardware.
- Ensure that all screws are tightened securely, but do not overtighten to avoid damaging the wood.

6. Safety Checks

- After installation, perform a safety check on the firearm to ensure everything is functioning correctly.
- Store the firearm in a safe location, ensuring that it is unloaded and secured.

Disposal Instructions

- Dispose of any unused wood products and materials in accordance with local regulations.
- Do not burn wood products that have been treated with stains or finishes, as they may release harmful fumes.

Contact Information for Further Support

For any inquiries regarding safety or product information, please reach out to the appropriate contact point in your region.

By following these safety instructions, you can enjoy the benefits of your MARLIN 336 PISTOL GRIP STOCK (UNFINISHED) while ensuring a safe experience. Thank you for your attention to safety.
