# Safety Instruction Guide for LIGHTNING ROD SIGHTS .150" SIGHT

## Introduction

Thank you for choosing the LIGHTNING ROD SIGHTS .150" SIGHT. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the sight is installed correctly and securely to avoid accidents.
- Always handle firearms with care and follow all safety protocols.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Inspect the sight regularly for any signs of damage or wear. Do not use if damaged.
- Be aware of your surroundings when using the sight to ensure safe operation.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the sight only with compatible firearms as specified in the product details (Make: 1911; Model: Government, Commander, Officers).
- Do not modify the sight or attempt to repair it yourself. Seek professional assistance for repairs.
- Avoid exposure to extreme temperatures and harsh conditions that may affect the sight's performance.
- Always ensure that the firearm is unloaded before installing or adjusting the sight.
- Use protective eyewear when shooting to protect against debris and other hazards.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sight if applicable, following the manufacturer's instructions.
3. Align the dovetail of the LIGHTNING ROD SIGHT with the dovetail slot on your firearm.
4. Gently tap the sight into place using a nonmarring tool to avoid damaging the sight or firearm.
5. Ensure the sight is level and secure before use.

### Usage

1. Once installed, familiarize yourself with the sight picture.
2. Use the sight in a welllit area to take advantage of the fiber optic feature.
3. Practice aiming with the sight to improve accuracy and comfort.
4. Regularly check the sight for any movement or misalignment during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and optical devices.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support
