# AR15 Chamber Safety Flag Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Chamber Safety Flag. This product is designed to enhance firearm safety by providing clear visual indicators that a weapon is safe. Please read this guide carefully to ensure proper use and understanding of safety precautions.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Ensure the safety flag is correctly inserted into the chamber before handling the firearm.
- Keep the firearm pointed in a safe direction at all times.
- Use the safety flag only with compatible firearms (22 Caliber or .223.224).
- Regularly inspect the safety flag for any signs of wear or damage before use.
- Store the safety flag in a safe place, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- **Visual Identification:** The bright yellow color of the safety flag provides instant recognition to indicate a safe weapon to range safety officers.
- **Accidental Bolt Slamming:** The safety flag is solidly built to withstand accidental bolt slamming. However, ensure that the bolt is open when inserting the flag.
- **Curved Probe Design:** The curved probe is designed to stay securely in the chamber when the bolt is open. Ensure proper installation for maximum effectiveness.
- **Competition Use:** This product is approved for DCM/NRA competition. Always check specific competition rules regarding safety flag usage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is pointed in a safe direction.
- Open the bolt of the firearm.
- Insert the curved probe of the safety flag into the chamber.
- Ensure that the flag is fully inserted and visible.

### 2. Usage:

- Always keep the safety flag in place when the firearm is not in use.
- Remove the safety flag only when you are ready to handle the firearm.
- After use, reinsert the safety flag before storing the firearm.

## Disposal Instructions

- Dispose of the safety flag in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling options for plastic materials.

## Contact Information for Further Support

For any safety inquiries or to report an unsafe product, please refer to the appropriate EU contact points or

safety authorities. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform.

By following these guidelines, you can ensure a safer experience with your AR15 Chamber Safety Flag. Thank you for prioritizing safety in firearms handling.
