# AR15/M16 Reduced Power Action Kit Safety Instructions

## Introduction

Thank you for choosing the AR15/M16 Reduced Power Action Kit. This kit is designed to enhance your shooting experience by lightening the trigger pull and smoothing the letoff for improved accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only with compatible firearms, specifically the AR15 and M16 models.
- Always follow the firearm's manufacturer's safety guidelines and instructions.
- Keep the kit and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the kit and firearm for any signs of wear or damage before use.
- In case of any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when you believe it is not.
- Use appropriate eye and ear protection when operating your firearm.
- Ensure that you are in a safe and controlled environment when using your firearm.
- Be aware of your surroundings and ensure that there is a clear and safe backstop when firing.
- Do not modify the kit or any firearm components beyond the intended use as specified in the instructions.
- Follow local laws and regulations regarding firearm modifications and usage.

## Instructions for Installation and Usage

### Installation

1. **Safety First:** Ensure the firearm is unloaded and the magazine is removed.
2. **Disassemble the Firearm:** Follow the manufacturer's instructions to safely disassemble the lower receiver.
3. **Remove Existing Springs:** Carefully remove the existing hammer, trigger, and disconnect springs from the lower receiver.
4. **Install New Springs:**
  - Insert the new hammer spring into the designated location.
  - Install the trigger spring in the trigger assembly.
  - Place the disconnect spring in its respective position.
5. **Reassemble the Firearm:** Once all new springs are installed, reassemble the lower receiver according to the manufacturer's guidelines.
6. **Function Check:** Before using the firearm, perform a function check to ensure all components are working correctly.

### Usage

- Always ensure that the firearm is pointed in a safe direction when handling.
- Engage the safety mechanism before loading the firearm.
- Load ammunition only when ready to fire.
- After firing, ensure the firearm is cleared and safe before handling or storing.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for metal components.
- Ensure that all firearm parts are disposed of safely to prevent unauthorized use.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the AR15/M16 Reduced Power Action Kit, please refer to the product packaging or the manufacturer's website for contact details.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safer and more enjoyable shooting experience.
