Safety Instruction Guide for AR15/M16 Bolt Gas Rings

Introduction

Thank you for choosing the AR15/M16 Bolt Gas Rings. These genuine, MilSpec quality small parts are essential for the proper functioning of your AR15/M16 firearm. This guide provides important safety instructions and precautions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all components are installed correctly and securely before use.
- Always follow the manufacturer's instructions for firearm maintenance and operation.
- Store parts in a cool, dry place away from direct sunlight and moisture.
- Keep all components out of reach of children and unauthorized users.
- Regularly inspect the gas rings for wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to firearm malfunction. Worn or damaged gas rings can result in decreased performance or safety risks.
- **Avoiding Hazards:** Always inspect the gas rings for signs of wear or damage before use. Ensure that the gas rings are compatible with your specific AR15/M16 model. Do not attempt to use damaged parts; replace them immediately. Follow all local laws and regulations regarding firearm modifications and maintenance.
- **AudienceSpecific Warnings:** These components are intended for use by individuals who are knowledgeable about firearms. They are not suitable for children.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to work on.
- Remove the bolt carrier group from the firearm.
- Carefully remove the old gas rings from the bolt. Note the orientation for proper installation.
- Install the new gas rings by sliding them onto the bolt, ensuring they are seated correctly.
- Replace the bolt carrier group into the firearm and ensure it is functioning properly.

2. Usage:

- Regularly check the gas rings for wear and replace them as needed.
- Follow the manufacturer's guidelines for cleaning and maintaining your firearm.
- Always handle the firearm with care and respect, adhering to safe firearm practices.

Disposal Instructions

- Dispose of any damaged or worn gas rings responsibly.
- Follow local regulations regarding the disposal of firearm components.
- Do not throw away in regular household waste. Instead, consider recycling options or contacting local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of the AR15/M16 Bolt Gas Rings, please refer to the product packaging or the manufacturer's website for further assistance.
