

STEEL ALHPABET LETTERS & FIGURES - 1/16" - 1/16" STEEL LETTER, CHARACTER Q

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Number & Letter Stamps](#)

Stamp Your Own Combination Of Numbers & Specs In Softer Steels & Metals

Hand cut and taper-ground to make "factory perfect" impressions when marking custom rifle barrels and other metal objects you want to professionally identify. Made from only the finest quality steel, selected for its proven ability to stand the gaff, then heat-treated to three distinct hardnesses. The character end is hardened to Rc 62 to prevent chipping. Hammer end is crowned and hardened to prevent mushrooming and the center is hardened to transmit the hammer blow. Sharply cut Gothic characters ensure a deep, clear impression. Smooth, ground taper improves appearance and eliminates cracks that sometimes develop in a rough taper. Each stamp is individually inspected and marked with index on thumb side so you'll always know which way the stamp is facing. Sets of letters consist of 27 characters, including period. Sets of figures consist of nine characters from 0 to 8, the 6 also being used for the 9. Packed in sturdy wooden box with lid.

NOTE: Steel Stamps are intended for softer steels, barrels, etc. DO NOT use on hardened or plated steels, knife blades, tough alloys. Misuse voids guarantee.

Attributes

- Name: [1/16" STEEL LETTER, CHARACTER Q](#)
- Manufacturer: [YOUNG BROTHERS STAMP WORKS INC](#)
- Product no.: 990501117
- Mfr. No.: 01272-Q

Safety Instruction Guide for STEEL ALPHABET LETTERS & FIGURES 1/16" STEEL LETTER, CHARACTER Q

Introduction

Thank you for choosing the STEEL ALPHABET LETTERS & FIGURES. This product is designed for marking custom rifle barrels and other metal objects with precision. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use when handled properly. Ensure that you follow all safety guidelines to avoid injury.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be informed through standardized notices and provided with free remedies for any dangerous products.
- **Online Shopping:** If purchased online, this product is subject to the same safety protections as those bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children. Keep out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Direct Contact:** Do not touch the character end of the stamp immediately after use, as it may be hot.
- **Wear Protective Gear:** Always wear safety glasses and gloves when using the stamps to protect against potential injury.
- **Stable Work Surface:** Ensure that you are working on a stable and secure surface to avoid accidents.
- **Proper Hammer Use:** Use a hammer that is appropriate for the size and weight of the stamp to prevent damage to the stamp and ensure effective marking.
- **Inspect Before Use:** Check the stamps for any signs of damage or wear before use. Do not use damaged stamps.
- **Keep Area Clear:** Maintain a clean workspace free from clutter to prevent accidents during use.

Instructions for Installation and Usage

1. Preparation:

- Select the appropriate stamp for your marking needs.
- Ensure that the metal object you wish to mark is clean and secured on a stable surface.

2. Marking Process:

- Position the stamp vertically on the metal surface where you want the impression.
- Use a hammer to strike the end of the stamp firmly and evenly. Avoid glancing blows.
- Remove the stamp carefully after striking to check the impression.

3. PostUse Care:

- Clean the stamps after use to remove any metal shavings or debris.
- Store the stamps in a safe and dry place, preferably in the provided wooden box, to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable stamps in accordance with local regulations.
- Always recycle materials where possible. If the steel stamps can no longer be used, consider taking them to a recycling center.

Contact Information for Further Support

For additional information or support regarding the STEEL ALPHABET LETTERS & FIGURES, please refer to the contact details provided by the retailer or manufacturer.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your STEEL ALPHABET LETTERS & FIGURES. Thank you for your attention to safety!
