

# STEEL ALHPABET LETTERS & FIGURES - 1/16" - 1/16" STEEL LETTER, CHARACTER S

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Number & Letter Stamps](#)

## Stamp Your Own Combination Of Numbers & Specs In Softer Steels & Metals

Hand cut and taper-ground to make "factory perfect" impressions when marking custom rifle barrels and other metal objects you want to professionally identify. Made from only the finest quality steel, selected for its proven ability to stand the gaff, then heat-treated to three distinct hardnesses. The character end is hardened to Rc 62 to prevent chipping. Hammer end is crowned and hardened to prevent mushrooming and the center is hardened to transmit the hammer blow. Sharply cut Gothic characters ensure a deep, clear impression. Smooth, ground taper improves appearance and eliminates cracks that sometimes develop in a rough taper. Each stamp is individually inspected and marked with index on thumb side so you'll always know which way the stamp is facing. Sets of letters consist of 27 characters, including period. Sets of figures consist of nine characters from 0 to 8, the 6 also being used for the 9. Packed in sturdy wooden box with lid.

NOTE: Steel Stamps are intended for softer steels, barrels, etc. DO NOT use on hardened or plated steels, knife blades, tough alloys. Misuse voids guarantee.

## Attributes

- Name: [1/16" STEEL LETTER, CHARACTER S](#)
- Manufacturer: [YOUNG BROTHERS STAMP WORKS INC](#)
- Product no.: 990501119
- Mfr. No.: 01272-S
- Size: 1/16
- Delivery weight: 0.018kg
- Shipping height: 1mm
- Shipping width: 102mm
- Shipping length: 152mm

# Safety Instruction Guide for STEEL ALPHABET LETTERS & FIGURES

## Introduction

Thank you for choosing the STEEL ALPHABET LETTERS & FIGURES. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the stamps.

## General Safety Guidelines

- Product Safety: Ensure the safe use of the STEEL ALPHABET LETTERS & FIGURES by following all safety instructions.
- Enhanced Recalls: In case of any product recalls, you will receive standardized notices and remedies without charge.
- Online Shopping: If purchased online, you have the same safety protections as those who shop in physical stores.
- Special Consumer Focus: Extra care is taken to ensure that this product is safe for all users, including vulnerable groups.
- EU Contact Point: For any safety inquiries, please refer to the designated EU contact point.
- Rapid Alerts: Stay informed about any unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using the stamps.
- Ensure the work surface is stable and secure to prevent accidents while stamping.
- Keep the stamps out of reach of children and pets to avoid injury or misuse.
- Inspect the stamps before use for any signs of damage or wear. Do not use damaged stamps.
- Use the stamps only for their intended purpose marking metal objects.
- Do not apply excessive force when striking the stamps to prevent breakage or injury.
- Store the stamps in a safe and dry place, preferably in the provided wooden box, to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Select the character or figure you wish to use.
- Ensure the metal object you are marking is clean and free of debris.

### 2. Positioning:

- Place the stamp on the desired location of the metal object.
- Ensure the stamp is aligned correctly to achieve a clear impression.

### 3. Striking:

- Using a hammer, strike the stamp firmly but not excessively.
- Aim for the center of the stamp to ensure an even impression.

### 4. PostUse:

- Remove the stamp carefully from the marked object.

- Inspect the impression for clarity and depth.
- Clean the stamps after use to maintain their quality.

## Disposal Instructions

- Dispose of any damaged or worn stamps responsibly by following local waste disposal regulations.
- If the stamps are no longer usable, consider recycling the metal components where possible.

## Contact Information for Further Support

For any inquiries or concerns regarding the STEEL ALPHABET LETTERS & FIGURES, please reach out to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your STEEL ALPHABET LETTERS & FIGURES.
