

# STEEL ALHPABET LETTERS & FIGURES - 1/16" - YOUNG BROTHERS STAMP WORKS INC 1/16" FIGURE STAMP SET

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Number & Letter Stamps](#)

## Stamp Your Own Combination Of Numbers & Specs In Softer Steels & Metals

Hand cut and taper-ground to make "factory perfect" impressions when marking custom rifle barrels and other metal objects you want to professionally identify. Made from only the finest quality steel, selected for its proven ability to stand the gaff, then heat-treated to three distinct hardnesses. The character end is hardened to Rc 62 to prevent chipping. Hammer end is crowned and hardened to prevent mushrooming and the center is hardened to transmit the hammer blow. Sharply cut Gothic characters ensure a deep, clear impression. Smooth, ground taper improves appearance and eliminates cracks that sometimes develop in a rough taper. Each stamp is individually inspected and marked with index on thumb side so you'll always know which way the stamp is facing. Sets of letters consist of 27 characters, including period. Sets of figures consist of nine characters from 0 to 8, the 6 also being used for the 9. Packed in sturdy wooden box with lid.

NOTE: Steel Stamps are intended for softer steels, barrels, etc. DO NOT use on hardened or plated steels, knife blades, tough alloys. Misuse voids guarantee.

## Attributes

- Name: [YOUNG BROTHERS STAMP WORKS INC 1/16" FIGURE STAMP SET](#)
- Manufacturer: [YOUNG BROTHERS STAMP WORKS INC](#)
- Product no.: 990600100
- Mfr. No.: 01092
- Size: 1/16
- Delivery weight: 0.227kg
- Shipping height: 50mm
- Shipping width: 54mm
- Shipping length: 74mm

# Safety Instruction Guide for STEEL ALPHABET LETTERS & FIGURES 1/16"

## Introduction

Thank you for choosing the STEEL ALPHABET LETTERS & FIGURES 1/16" by Young Brothers Stamp Works Inc. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the stamps to avoid any potential hazards.

## General Safety Guidelines

- Ensure that all users are aware of safety practices when handling metal stamps.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the stamps for any signs of damage before use.
- Store the stamps in a safe and dry place, ideally in the provided wooden box.
- Follow local regulations for the disposal of metal products.

## Specific Safety Precautions for Use

- **Risk of Injury:** The stamps are made from hardened steel and can cause injury if dropped or mishandled. Always handle with care.
- **Eye Protection:** Wear safety goggles to protect your eyes from metal shavings or debris when stamping.
- **Work Surface:** Use a stable and appropriate work surface to prevent accidents while stamping.
- **Hammer Safety:** Ensure the hammer used is suitable for the stamps and in good condition. Do not use excessive force.
- **Proper Grip:** Always hold the stamp by the character end and not the hammer end to avoid injury.
- **Avoid Chipping:** Do not strike the stamps at an angle to prevent chipping or damage to the character end.

## Instructions for Installation and Usage

- **Setup:**
  1. Choose a clean, flat surface to work on.
  2. Ensure that the area is welllit and free from clutter.
- **Using the Stamps:**
  1. Select the desired letter or figure from the set.
  2. Position the stamp on the object you wish to mark, ensuring it is straight and aligned.
  3. Hold the stamp firmly by the character end.
  4. Use a hammer to strike the stamp once with sufficient force to create a clear impression.
  5. Lift the stamp straight up after striking to avoid smudging.
- **PostUse Care:**
  1. Clean the stamps after use to remove any residue or debris.
  2. Store the stamps in the wooden box provided to protect them from damage.

## Disposal Instructions

- Dispose of any damaged stamps in accordance with local regulations for metal disposal.
- Recycle the stamps if possible, as they are made of steel.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please refer to the EU contact point or local consumer safety authorities. Ensure you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your STEEL ALPHABET LETTERS & FIGURES 1/16"!
