Safety Instruction Guide for BOG SB2 Camo Bipod

Introduction

Thank you for choosing the BOG SB2 Camo Bipod. This lightweight and compact bipod is designed to provide a steady shooting platform for sportsmen in various conditions. To ensure safe and effective use of your bipod, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the bipod before each use for any signs of damage or wear.
- Ensure that the bipod is securely attached to the firearm before use.
- Use the bipod only for its intended purpose; do not modify or use it in ways not specified by the manufacturer.
- Keep the bipod away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the bipod as specified in the product specifications.
- When using the bipod, ensure the ground or surface is stable and free from obstacles.
- Always maintain a safe shooting distance from others when using the bipod.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- Use the rubber retention strap to secure the bipod to the firearm for quick repositioning.

Instructions for Installation and Usage

1. Installation:

- Remove the bipod from its packaging and inspect it for any damage.
- Attach the bipod to the designated mounting point on your firearm, ensuring it is secure.
- Adjust the bipod legs to the desired height by pressing the leg release buttons.
- Confirm that the legs are locked in place before use.

2. Usage:

- Position yourself in a kneeling or sitting stance, as preferred.
- Place the bipod on a stable surface, ensuring that it is firmly grounded.
- Use the rubber retention strap to hold the bipod against the firearm for stability.
- Make necessary adjustments to the bipod for optimal shooting comfort and accuracy.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding plastic and metal waste.
- If the bipod is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bipod in regular household waste if it can be recycled.
