# BOG Deathgrip Shooting Tripod Safety Instructions

## Introduction

Thank you for choosing the BOG™ DeathGrip Aluminum Tripod. This tripod is designed to provide stability and support for your shooting needs. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect your tripod before use to ensure all components are secure and functioning properly.
- Do not exceed the weight limit specified by the manufacturer.
- Use the tripod only for its intended purpose; it is designed to support firearms and similar equipment.
- Keep the tripod away from children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the tripod is set up on stable and level ground to prevent tipping.
- Always use the patented clamp to secure your weapon before handling or adjusting the tripod.
- Do not attempt to adjust the tripod while holding a weapon.
- Avoid using the tripod in adverse weather conditions that could affect stability, such as high winds or heavy rain.
- Be aware of your surroundings to prevent accidents or injuries to yourself or others while using the tripod.

## Instructions for Installation and Usage

### 1. Setup

- Remove the tripod from its carrying case and ensure all legs are fully extended.
- Adjust the height of the tripod to your desired level by loosening the leg locks and sliding the legs to the appropriate length.
- Ensure that all leg locks are securely tightened before use.

### 2. Securing Your Weapon

- Open the patented clamp by pressing the release button.
- Place your weapon securely in the clamp and close it until it is firmly held in place.
- Doublecheck that the weapon is secure before proceeding.

### 3. Using the Tripod

- Position yourself behind the tripod and ensure that it is stable.
- Use the tripod to support your weapon while aiming or shooting.
- Maintain a safe distance from others when using the tripod, and ensure that the area is clear of obstructions.

### 4. Dismantling the Tripod

- After use, carefully remove the weapon from the clamp by pressing the release button.
- Collapse the tripod legs by loosening the leg locks and sliding the legs back into their original position.

- Store the tripod in a safe place, away from children and pets.

## **Disposal Instructions**

- Dispose of the tripod according to local regulations regarding aluminum and plastic waste.
- Do not dispose of the tripod in regular household waste if it is damaged or contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BOG™ DeathGrip Aluminum Tripod, please refer to the product packaging for the appropriate contact details.

We hope you enjoy using your BOG™ DeathGrip Aluminum Tripod safely and effectively. Thank you for your attention to these safety guidelines.
