# BOG Havoc Series Shooting Stick Monopod Safety Instructions

## Introduction

Thank you for choosing the BOG Havoc Series Shooting Stick Monopod. This product is designed to provide stable shooting support for hunters in various conditions. To ensure your safety and the optimal performance of the shooting stick, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always inspect the shooting stick for any visible damage before use. Do not use if damaged.
- Ensure that the shooting stick is set up on stable ground to prevent tipping or falling.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the shooting stick.
- Keep the shooting stick away from children and pets when not in use.
- Follow local regulations and guidelines regarding the use of shooting equipment.

## Specific Safety Precautions for Use

- **Stability:** Always ensure that the monopod is fully extended and locked before use. Improper locking may lead to instability.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer to avoid accidents.
- **Weather Conditions:** Avoid using the shooting stick in extreme weather conditions that may affect stability, such as strong winds or heavy rain.
- **Transport:** When transporting the shooting stick, ensure that it is secured and does not pose a risk of injury to yourself or others.
- **Maintenance:** Regularly check and maintain the shooting stick to ensure all components are functioning correctly.

## Instructions for Installation and Usage

### 1. Setup:

- Unfold the monopod legs and extend them to the desired height.
- Twist the leg locks to secure each leg in place.
- Ensure that the USR shooting yoke is properly attached and functioning.

### 2. Usage:

- Position the shooting stick in a stable location.
- Adjust the height as necessary for comfort and shooting position.
- Use the USR shooting yoke to stabilize your firearm while aiming.
- Always keep your finger off the trigger until ready to shoot.

### 3. Dismantling:

- To dismantle, reverse the setup process.
- Twist the leg locks to release each leg and fold them back into their original position.
- Store the shooting stick in a safe, dry location.

## **Disposal Instructions**

- Dispose of the shooting stick in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please contact your local BOG representative or authorized dealer.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the BOG Havoc Series Shooting Stick Monopod responsibly.
