Safety Instruction Guide

Introduction

Thank you for choosing the BOG Adrenaline Switcheroo Monopod Camo. This product is designed to enhance your hunting experience by providing stability and versatility in various hunting situations. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the monopod before use to ensure it is in good condition and free from damage.
- Keep the monopod out of reach of children and vulnerable individuals when not in use.
- Use the monopod only for its intended purpose, which is to support optics during hunting activities.
- Be aware of your surroundings and ensure that the area is safe for use.
- If you experience any malfunction or damage, cease use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper use or handling.
- Risk of slipping or instability if the monopod is not set up correctly.
- Risk of damage to the monopod if subjected to excessive force or weight.

- **Avoiding Hazards:**

- Ensure the monopod is fully extended and locked before use.
- Use the retractable metal foot spikes on stable ground for better grip.
- Avoid using the monopod in extreme weather conditions that may affect stability.
- Do not exceed the weight limit specified by the manufacturer for optics accessories.
- Always use the patented Switcheroo® system according to the instructions to ensure secure attachment of accessories.

Instructions for Installation and Usage

1. Setting Up the Monopod:

- Remove the monopod from its carrying case.
- Extend the legs to your desired height by releasing the lever leg locks.
- Lock the legs in place by pushing the lever back into the locked position.

2. Attaching Your Optics:

- Use the Switcheroo® system to attach your optics accessories.
- Ensure that the accessory is securely locked into place before use.

3. Using the Monopod:

- Position the monopod on stable ground.
- Adjust the angle as necessary for optimal viewing.
- Lean against the monopod for support while aiming or observing.

4. Retracting the Monopod:

- After use, release the lever leg locks to retract the legs.
- Store the monopod in its carrying case to protect it from damage.

Disposal Instructions

- When disposing of the monopod, please follow local regulations for the disposal of outdoor equipment.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the monopod in regular household waste.
