Caldwell Orange Peel SightIn Target Safety Instruction Guide

Introduction

Thank you for choosing the Caldwell Orange Peel SightIn Target. This guide provides important safety information and instructions to ensure the safe use of this product. Please read and follow all instructions carefully to maximize your safety and enjoyment.

General Safety Guidelines

- Always use the Caldwell Orange Peel SightIn Target in a safe and controlled environment.
- Ensure that the shooting area is clear of unauthorized personnel and potential hazards.
- Use appropriate eye and ear protection while shooting.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Store the targets in a dry place away from direct sunlight to prevent damage.
- Regularly inspect the targets for wear or damage before use.

Specific Safety Precautions for Use

- The Caldwell Orange Peel SightIn Target is designed for use with firearms only. Do not use with any other equipment.
- Ensure that the target is securely mounted or placed in a stable position to prevent it from falling or being blown away.
- Do not shoot at the target from a distance closer than the recommended minimum distance for your specific firearm.
- Be aware of your surroundings and ensure that there is a safe backstop behind the target.
- If any part of the target is damaged during use, discontinue use immediately and dispose of it properly.

Instructions for Installation and Usage

1. Select a Suitable Location:

- Choose a safe area with a clear line of sight and a suitable backstop.
- Ensure that the area is free from obstructions and unauthorized personnel.

2. Mounting the Target:

- Use a target stand or other secure method to mount the target.
- Ensure that the target is stable and will not fall over during use.

3. Shooting at the Target:

- Position yourself at a safe distance from the target, following the guidelines for your specific firearm.
- Aim carefully and take your shot, observing the target for hits.

4. PostShooting:

- After shooting, check the target for bullet holes and assess if it needs to be replaced.
- Clean up any debris or remnants from the target area to maintain safety.

Disposal Instructions

- Dispose of used or damaged targets in accordance with local waste disposal regulations.
- If the target is made of materials that can be recycled, please recycle them where facilities exist.
- Do not burn the target or dispose of it in a manner that could pose a risk to the environment or public safety.
