# Caldwell Sight In Targets Safety Instruction Guide

## Introduction

Thank you for choosing Caldwell Sight In Targets. These high visibility targets are designed to enhance your shooting experience by providing clear sighting options for your rifle or pistol. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that you are in a designated shooting range or safe shooting area.
- Use targets only as intended and follow all local laws and regulations regarding shooting.
- Keep the area around your shooting position clear of unauthorized persons.
- Always wear appropriate eye and ear protection when shooting.
- Inspect your targets and shooting area for any potential hazards before use.

## Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition before use.
- Do not shoot at targets that are not securely mounted or positioned.
- Avoid shooting at targets that are damaged or have been previously shot.
- Be aware of your surroundings and ensure a safe backdrop behind the target.
- Do not use the targets in adverse weather conditions, such as high winds or heavy rain, which could affect visibility and safety.
- If using the targets with children or inexperienced shooters, provide supervision and guidance at all times.

## Instructions for Installation and Usage

### 1. Target Setup:

- Choose a suitable location at the shooting range.
- Securely mount the Caldwell Sight In Target at eye level for optimal visibility.
- Ensure the target is stable and will not fall or be blown away by the wind.

### 2. Sighting In:

- Use the 1" grid lines on the target to assist in sighting your firearm accurately.
- Aim for the designated shooting zones to ensure proper alignment and accuracy.
- Make adjustments to your firearm's sights as necessary based on your shooting results.

### 3. PostShooting:

- After shooting, carefully inspect the target for damage and ensure it is safe to remove.
- Dispose of used targets in accordance with local waste disposal regulations.

## Disposal Instructions

- Dispose of used Caldwell Sight In Targets in your regular waste collection.
- Ensure that they are not left in shooting areas or public spaces to maintain cleanliness and safety.
- If the target is damaged or not usable, follow local guidelines for disposing of paper products.

## **Contact Information for Further Support**

For any questions or concerns regarding the Caldwell Sight In Targets, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with Caldwell Sight In Targets. Always prioritize safety and responsibility while handling firearms. Thank you for your attention to these important safety measures.
