# Caldwell The Stable Table Carry Bag Safety Instructions

## Introduction

Thank you for choosing the Caldwell The Stable Table Carry Bag. This heavyduty carrying bag is designed to hold all pieces of your Stable Table, ensuring convenient transport to the range or field. To ensure safe usage and longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the carry bag is used only for its intended purpose, which is to transport the Stable Table.
- Regularly inspect the bag for any signs of wear or damage, especially the zippers and straps.
- Keep the bag away from sharp objects that could puncture or tear the fabric.
- Store the carry bag in a cool, dry place away from direct sunlight to prevent material degradation.
- Do not overload the bag beyond its capacity to avoid strain on the zippers and seams.

## Specific Safety Precautions for Use

- Only use the carry bag when transporting the Stable Table and its components.
- Ensure that all parts are securely packed within the bag before lifting or carrying.
- When lifting the bag, use proper lifting techniques to avoid injury. Bend your knees and keep your back straight.
- Avoid dragging the bag on rough surfaces to prevent damage to the fabric and zippers.
- If the carry bag becomes wet, allow it to dry completely before storing it to prevent mold and mildew.

## Instructions for Installation and Usage

### 1. Packing the Stable Table:

- Open the carry bag by unzipping the heavyduty zipper.
- Place the Stable Table and its components inside the bag, ensuring that all parts fit comfortably without forcing them.
- Securely close the zipper after ensuring that all parts are properly packed.

### 2. Carrying the Bag:

- Use the full wrap shoulder straps for carrying the bag. Adjust the straps to a comfortable length.
- When carrying the bag, distribute the weight evenly to maintain balance.
- If the bag is heavy, consider using both shoulder straps for better support.

### 3. Transporting the Bag:

- Avoid placing the bag in areas where it can be exposed to extreme temperatures or moisture.
- When transporting the bag in a vehicle, secure it to prevent it from moving around.

## Disposal Instructions

- When the carry bag reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for the proper disposal of fabric and plastic materials.
- If possible, recycle the bag to minimize environmental impact.
