Caldwell Target Stands Ultra Portable Target Stand Safety Instructions

Introduction

Thank you for choosing the Caldwell® Ultra Portable Target Stand Kit. This all-in-one target kit is designed for safe and effective use at the shooting range. Please read and follow these safety instructions carefully to ensure a safe experience.

General Safety Guidelines

- Ensure the product is used in accordance with local laws and regulations.
- Always supervise children when using the target stand.
- Inspect the target stand and all components before each use for any signs of wear or damage.
- Use the target stand only for its intended purpose as outlined in this guide.
- Do not modify the product in any way, as this may compromise its safety.
- Always wear appropriate eye and ear protection while using the target stand.
- Keep a safe distance from the target area and ensure the range is clear before shooting.

Specific Safety Precautions for Use

- Ensure that the target stand is set up on a stable and level surface to prevent tipping.
- Use only the provided targets with the target stand; do not use homemade or unsupported targets.
- Do not exceed the weight limit specified for the target stand.
- Be mindful of wind conditions that may affect the stability of the target stand.
- Always follow the instructions for securing targets to prevent them from falling or becoming dislodged during use.
- If using the target stand outdoors, be aware of environmental hazards such as uneven terrain or inclement weather.

Instructions for Installation and Usage

1. Unpacking the Kit:

- Carefully remove all components from the packaging.
- Ensure that you have the following items: target stand, backer, clamps, and targets.

2. Setting Up the Target Stand:

- Find a suitable location at the shooting range that is level and stable.
- Assemble the target stand by following these steps:
 - Insert the poles into the base securely.
 - Attach the backer to the target stand using the clamps provided.
 - Ensure that all components are tightly secured.

3. Attaching Targets:

- Use the provided clamps to attach the targets to the backer.
- Ensure that targets are securely fastened and will not fall off during use.

4. Using the Target Stand:

- Once set up, step back to a safe distance before shooting.

- Always check that the range is clear and that no one is in the line of fire before shooting.
- Follow all range rules and regulations during use.

5. After Use:

- Carefully dismantle the target stand after use.
- Store all components in a dry and safe location to prevent damage.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste. Check for local recycling programs for proper disposal.
