

# Resetting Target - Rimfire Resetting Target

[Shooting Accessories](#) > [Targets & Accessories](#) > [Steel Targets](#)

Caldwell® Resetting Targets are easily portable and create an interactive shooting experience that makes plinking and target practice fun. Made of heavy duty steel, these targets are built to last. All of our resetting targets come packaged in sturdy, partial clamshells. Holes are punched in the clamshells for hanging the product on the peg hooks. The rimfire and handgun models are reinforced with zip ties to ensure the heavy product is secured inside.

# Caldwell® Resetting Target Safety Instructions

## Introduction

Thank you for choosing the Caldwell® Resetting Target. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and responsibly.

## General Safety Guidelines

- Always use the Caldwell® Resetting Target in a safe and controlled environment.
- Ensure that all users are familiar with firearm safety rules before using this product.
- Keep the shooting area clear of unauthorized personnel, especially children and pets.
- Regularly inspect the target for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding shooting and target practice.
- In case of an emergency or an unsafe situation, cease all activities immediately.

## Specific Safety Precautions for Use

- Ensure that the target is placed on a stable surface to prevent tipping or falling.
- Use only rimfire ammunition as specified for this target.
- Maintain a safe distance from the target while shooting, as recommended by local guidelines.
- Do not attempt to modify the target in any way, as this may compromise safety.
- Wear appropriate eye and ear protection when shooting.
- In the event of a malfunction or unexpected behavior of the target, stop using it immediately and consult the manufacturer.

## Instructions for Installation and Usage

### 1. Installation

- Choose a suitable location for your Caldwell® Resetting Target, ensuring it is away from people and obstructions.
- Hang the target securely using the holes punched in the clamshell packaging, or place it on a stable surface.
- Ensure the target is reinforced and secured with zip ties as indicated for rimfire and handgun models.

### 2. Usage

- Load your firearm with rimfire ammunition only.
- Stand at a safe distance and aim at the target.
- After shooting, observe the target for any malfunctions or damage.
- If the target does not reset after being hit, do not approach it until you are certain it is safe to do so.

## Disposal Instructions

- Dispose of the Caldwell® Resetting Target in accordance with local waste management regulations.
- If the target is damaged beyond use, ensure it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the manufacturer directly through the provided contact methods on the packaging or product website.

By following these guidelines, you can ensure a safer and more enjoyable shooting experience with your Caldwell® Resetting Target. Thank you for your attention to safety.
