Caldwell Clay Launcher Safety Instructions

Introduction

Thank you for choosing the Caldwell® Clay Launcher. This guide provides essential safety instructions to ensure safe and enjoyable use of your new clay launcher. Please read all instructions carefully before use.

General Safety Guidelines

- Always follow local laws and regulations regarding the use of clay launchers and shooting sports.
- Ensure that the shooting area is safe and free from obstructions, people, and animals.
- Always wear appropriate eye and ear protection when using the clay launcher.
- Keep the clay launcher out of reach of children and unauthorized users.
- Inspect the clay launcher before each use to ensure it is in good condition.
- Do not modify or alter the clay launcher in any way.

Specific Safety Precautions for Use

- Use only approved clay targets with the launcher.
- Stand at a safe distance from the launch area when using the clay launcher.
- Ensure that the area behind the target is clear of any obstacles or bystanders.
- Do not attempt to catch or retrieve launched clay targets while they are in the air.
- Always use the launcher with both hands for better control.
- Do not use the clay launcher if you are under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Installation:

- Remove the clay launcher from the packaging.
- Ensure that all parts are present and in good condition.
- No assembly is required; the onepiece design is ready for use.

2. Usage:

- Insert a clay target into the designated slot of the launcher.
- Grip the launcher firmly with both hands.
- Aim the launcher in a safe direction towards the intended launch area.
- With a swift motion, fling the launcher to send the clay target sailing into the air.
- After launching, ensure that the area is clear before retrieving any fallen targets.

Disposal Instructions

- Dispose of the clay launcher responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods of plastic products.
- Do not dispose of the launcher in regular household waste if it can be recycled.
