# Frankford Arsenal Platinum Series Wet/Dry Media Separator Safety Instructions

## Introduction

Thank you for choosing the Frankford Arsenal Platinum Series Wet/Dry Media Separator. This product is designed for effective cleaning of brass and media, ensuring optimal performance and safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product text.
- Always keep the separator out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- If you encounter any issues or have questions about the product, refer to the contact information provided for further support.

## Specific Safety Precautions for Use

- Before using the separator, familiarize yourself with all components and their functions.
- Use the separator in a wellventilated area to avoid inhalation of dust or fumes from cleaning media.
- Always wear appropriate personal protective equipment (PPE), such as gloves and eye protection, when handling brass and cleaning media.
- Do not overload the separator beyond its capacity as this may lead to spills or damage.
- Ensure that the rubber latch is securely closed before use to prevent accidental openings.
- Avoid using the separator near open flames or high heat sources.

## Instructions for Installation and Usage

### 1. Setting Up the Separator:

- Place the separator on a stable, flat surface.
- Ensure the spillproof tub is positioned correctly to capture any media or water.

### 2. Using the Separator:

- For wet cleaning:
  - Fill the tub with water and add the brass and cleaning media.
  - Close the lid securely using the rubber latch.
  - Use the sifting handles to shake the separator gently, allowing cleaned brass to fall through the perforated sifter.
- For dry cleaning:
  - Add brass and dry media directly into the tub.
  - Close the lid securely and use the sifting handles to agitate the contents.
  - Ensure that the cleaned brass is collected from the bottom of the separator.

### 3. PostUse Care:

- After use, empty the tub and clean all components with warm, soapy water.
- Rinse thoroughly and allow to dry before storing.
- Store in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any nonreusable cleaning media and brass according to local regulations.
- Ensure that all materials are disposed of in an environmentally friendly manner.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product issues, please refer to the contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with the Frankford Arsenal Platinum Series Wet/Dry Media Separator. Thank you for your attention to safety!
