Frankford Arsenal Stainless Steel Media Safety Instructions

Introduction

Thank you for choosing Frankford Arsenal Stainless Steel Media. This product is designed for rotary tumbling of brass and provides outstanding cleaning performance when used with a liquid bath. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is the cleaning of brass cases in rotary tumblers.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental ingestion or injury.
- Always inspect the media pins before use for any signs of damage or wear. Do not use if damaged.
- Follow all manufacturer instructions for the rotary tumbler and any other equipment used in conjunction with this product.
- Store the media pins in a dry, safe place when not in use to prevent rusting or other damage.

Specific Safety Precautions for Use

- **Avoid Inhalation:** Do not inhale any dust or particles that may be generated during use. Use in a wellventilated area.
- **Eye Protection:** Wear safety goggles or glasses to protect your eyes from any flying debris during operation.
- **Skin Protection:** It is recommended to wear gloves to avoid skin irritation from prolonged contact with the media pins.
- **Handling:** The media pins are magnetic; handle with care to avoid pinching fingers or causing injury.
- **Liquid Bath:** Ensure that the liquid bath used is compatible with the media and does not create any hazardous reactions.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the rotary tumbler, liquid bath, and Frankford Arsenal Stainless Steel Media Pins.
- Ensure that the tumbler is on a stable, flat surface.

2. Loading the Tumbler:

- Open the rotary tumbler and add the brass cases to be cleaned.
- Measure and add the recommended amount of Frankford Arsenal Stainless Steel Media Pins (5 lbs).
- Pour the appropriate liquid bath into the tumbler, ensuring it covers the media and cases adequately.

3. Operating the Tumbler:

- Close the tumbler securely.
- Follow the manufacturer's instructions for operating the tumbler, including time and speed settings.
- Monitor the operation to ensure proper function and safety.

4. PostUse:

- Once the tumbling process is complete, carefully open the tumbler.
- Use gloves to remove the brass cases and media pins, and rinse them thoroughly with water.
- Dry the media pins and store them in a safe place.

Disposal Instructions

- Dispose of any leftover liquid bath according to local regulations. Do not pour down the drain unless permitted.
- The stainless steel media pins can be recycled as they are made from 304 stainless steel. Check local recycling guidelines for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety or product usage, please contact the manufacturer directly through their official channels.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
