

# Platinum Series Perfect Seat Hand Primer

[Reloading](#) > [Priming Tools](#) > [Hand Tools](#)

The Frankford Arsenal Perfect Seat Hand Primer will make sure you don't over seat and crush a primer again. It features a dial that adjusts the seating depth 1 thousandth of an inch at a time with a total adjustment range of 50 thousandths. Once you have the seating depth set you can squeeze the handle as hard as you want, with the positive hard stop the primer will never seat deeper than the set depth. It comes with 12 shellholders (#1, #2, #3, #4, #5, #7, #8, #9, #10, #11, #12, #19) which will cover 652 calibers and a heavy duty injection molded storage case so you never lose a part and the Hand Primer is always protected. The primer tray holds 100 primers for quick seating of multiple cases and works with small and large primers. The Frankford Arsenal Perfect Seat Hand Primer is designed so you can have the perfect primer seat every time.

# Frankford Arsenal Platinum Series Perfect Seat Hand Primer Safety Instruction Guide

## Introduction

Thank you for choosing the Frankford Arsenal Platinum Series Perfect Seat Hand Primer. This hand primer is designed to provide precise seating of primers, ensuring safety and efficiency during your reloading process. Please read this safety instruction guide thoroughly to ensure safe and proper use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions and safety guidelines when using the Perfect Seat Hand Primer.
- Keep the hand primer out of reach of children and vulnerable individuals.
- Inspect the hand primer and its components for any damage before use.
- Ensure you are using the correct shellholder for your specific caliber.
- Use the tool in a welllit and stable area to avoid accidents.
- Avoid using excessive force when operating the hand primer; if you encounter resistance, stop and investigate the cause.
- Store the hand primer in a secure location when not in use to prevent unauthorized access.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear safety glasses while using the hand primer to protect your eyes from potential debris.
- **Hearing Protection:** If you are using the hand primer in a noisy environment, consider wearing hearing protection.
- **Ventilation:** Ensure adequate ventilation in your workspace, especially when handling primers and other reloading materials.
- **Handling Primers:** Handle primers with care. Do not touch the primer's sensitive area and avoid dropping them.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accident or injury. Keep a first aid kit nearby.

## Instructions for Installation and Usage

### 1. Setup:

- Unpack the Perfect Seat Hand Primer and ensure all components are included.
- Select the appropriate shellholder for your primer size and caliber. Refer to the included list of shellholders (#1, #2, #3, #4, #5, #7, #8, #9, #10, #11, #12, #19).

### 2. Adjusting Seating Depth:

- Use the dial to adjust the seating depth. Each adjustment changes the depth by 1 thousandth of an inch, with a total range of 50 thousandths.
- Ensure the dial is securely set before use.

### 3. Loading Primers:

- Place up to 100 primers in the primer tray. Ensure they are oriented correctly according to the ridges provided in the tray.
- Confirm that the tray is properly seated in the hand primer.

#### **4. Priming Cases:**

- Insert a case into the shellholder.
- Squeeze the handle gently to seat the primer. The hard stop feature prevents overseating.
- If resistance is felt, stop and check for any obstructions or misalignments.

#### **5. PostUsage:**

- After use, remove any primers and clean the hand primer if necessary.
- Store the hand primer in the provided heavyduty injection molded storage case to protect it from damage.

## **Disposal Instructions**

- Dispose of any unused or expired primers and reloading materials according to local regulations.
- Do not throw primers in regular trash. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Frankford Arsenal Platinum Series Perfect Seat Hand Primer, please reach out to the appropriate support channels provided by your retailer or manufacturer. Always ensure that you have the product details on hand for a more efficient inquiry.

Thank you for following these safety guidelines. By adhering to these instructions, you can ensure a safe and effective reloading experience with your Frankford Arsenal Perfect Seat Hand Primer.
