Frankford Arsenal Powder Funnel Safety Instruction Guide

Introduction

Thank you for choosing the Frankford Arsenal Powder Funnel with 16 Nozzles and 4" Drop Tube Extension. This product is designed to facilitate safe and efficient powder dispensing for reloading ammunition. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the Powder Funnel in a wellventilated area to avoid inhaling any powder particles.
- Keep the Powder Funnel and its components out of reach of children and pets.
- Do not use the Powder Funnel for any purpose other than its intended use.
- Inspect the Powder Funnel and nozzles regularly for any signs of damage or wear.
- If any part of the Powder Funnel is damaged, discontinue use immediately and replace the damaged component.
- Familiarize yourself with the specific caliber nozzles to ensure proper use and minimize powder spillage.

Specific Safety Precautions for Use

- Ensure that all nozzles are securely attached before using the Powder Funnel.
- Avoid overfilling the funnel to prevent spills.
- When changing nozzles, do so over a clean, dry surface to catch any powder that may spill.
- Do not use the Powder Funnel near open flames or excessive heat sources.
- Wear safety glasses to protect your eyes from powder particles or debris.
- Use gloves if you are sensitive to powders or chemicals.

Instructions for Installation and Usage

1. Selecting Nozzle:

- Choose the appropriate caliber-specific nozzle from the 16 provided.
- Ensure the nozzle is clean and free of any obstructions.

2. Attaching the Nozzle:

- Align the nozzle with the funnel opening.
- Push the nozzle firmly into place until it clicks securely.

3. Using the Funnel:

- Position the funnel over the cartridge case.
- Pour the powder slowly into the funnel, avoiding any abrupt movements to minimize spillage.
- If using the extension tube, attach it securely to the funnel before use.

4. After Use:

- Clean the Powder Funnel and nozzles after each use to prevent crosscontamination of powders.
- Store the Powder Funnel and its components in the provided plastic case to keep them organized and protected.

Disposal Instructions

- Dispose of any unused or spilled powder according to local regulations for hazardous waste.
- Recycle the plastic case and components where facilities exist.
- Do not dispose of the Powder Funnel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to the appropriate EUbased contact for support. Ensure to have the product details ready for a more efficient response.

By following these safety instructions, you can enjoy using the Frankford Arsenal Powder Funnel with confidence and peace of mind. Thank you for prioritizing safety in your reloading practices.
