Frankford Arsenal Pistol and Rifle Reloader's Labels Safety Instruction Guide

Introduction

Thank you for choosing Frankford Arsenal Pistol and Rifle Reloader's Labels. These labels are designed to help you record important data about your handloads for pistols, rifles, and shotguns. This guide provides essential safety instructions to ensure safe and effective use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the labels are used only for their intended purpose of recording ammunition data.
- Keep labels out of reach of children and vulnerable individuals.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the labels in a wellventilated area to avoid inhaling any adhesive fumes.
- Avoid placing labels on surfaces that may be exposed to extreme temperatures or moisture, as this may affect adhesion.
- Do not apply labels to any surfaces that are not clean and dry to ensure proper adhesion.
- If you experience any allergic reactions to the adhesive, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface where you will apply the label is clean and dry.
- Gather all necessary information you wish to record on the label.

2. Applying the Labels:

- Peel the label from the backing carefully.
- Position the label on the chosen surface of your ammo box.
- Press down firmly to ensure the label adheres properly.

3. Removing the Labels:

- To remove a label, gently peel it off the surface.
- If any adhesive residue remains, clean the surface with a suitable cleaner.

4. Storing the Labels:

- Keep unused labels in a cool, dry place, away from direct sunlight to maintain their adhesive properties.

Disposal Instructions

- Dispose of any unused or damaged labels in accordance with local waste disposal regulations.
- Do not incinerate labels as this may release harmful fumes.

- Ensure that labels are disposed of in a manner that prevents them from being accessible to children.
