Frankford Arsenal Platinum Series Universal Precision Case Trimmer Safety Instructions

Introduction

Thank you for choosing the Frankford Arsenal Platinum Series Universal Precision Case Trimmer. This guide provides important safety instructions to ensure safe and effective use of the product. Please read this manual thoroughly before using the trimmer.

General Safety Guidelines

- Always operate the trimmer in a welllit and clean workspace.
- Keep the work area free from clutter and distractions.
- Use the trimmer only for its intended purpose as described in this manual.
- Ensure that the trimmer is securely attached to a stable surface before use.
- Do not use the trimmer if you are tired or under the influence of drugs or alcohol.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the trimmer.
- Keep hands and other body parts away from moving parts during operation.
- Ensure that all tools and accessories are in good condition before use.
- Regularly check for any signs of wear or damage to the trimmer and its components.
- Follow all local regulations regarding the use and disposal of products and materials.

Specific Safety Precautions for Use

- Use the adjustable collet system only with shouldered cases from .17 Remington to .460 Weatherby.
- Ensure the drill or drill press used with the trimmer is compatible and in good working condition.
- Do not exceed the recommended speed for the trimmer to prevent overheating and damage.
- Never attempt to modify the trimmer or its components in any way.
- Store the trimmer and its accessories in a safe place, out of reach of children and pets.
- If the trimmer malfunctions or produces unusual noises, stop using it immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Choose a stable and secure surface for mounting the trimmer.
- Attach the trimmer to the drill or drill press according to the manufacturer's instructions.
- Ensure the collet is properly adjusted to fit the case you intend to trim.

2. Usage:

- Before turning on the drill, doublecheck that all components are securely in place.
- Insert the case into the collet, ensuring it is properly seated.
- Turn on the drill or drill press and allow the cutter to reach full speed before trimming.
- Gently guide the case into the cutter, maintaining a steady and controlled motion.
- Once trimming is complete, turn off the drill and carefully remove the trimmed case.
- Clean the trimmer and workspace after each use to prevent buildup of debris.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Recycle materials whenever possible, following your local recycling guidelines.

- Do not dispose of the trimmer in regular household waste. Check with local authorities for proper disposal methods.
