Frankford Arsenal HingeTop Ammo Box Safety Instructions

Introduction

Thank you for choosing the Frankford Arsenal HingeTop Ammo Box #504. This product is designed to securely store your ammunition while providing durability and ease of use. Please read this safety instruction guide carefully to ensure safe handling and usage of the ammo box in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the ammo box is used only for its intended purpose—storing ammunition.
- Keep the ammo box out of reach of children and unauthorized individuals.
- Regularly inspect the ammo box for any signs of damage or wear.
- Follow all local laws and regulations regarding the storage and handling of ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Mechanical Hinge:** The mechanical plastic hinge provides great strength. Ensure that the hinge is functioning properly before use.
- **Labeling:** You can place a 1" x 2 5/8" printer I.D. label on the lid for easy identification. Ensure that the label does not obstruct the opening mechanism.
- **Stacking:** The ammo box is designed to be easily stackable. Ensure that stacked boxes are stable and not at risk of toppling over.
- **Temperature Sensitivity:** The mechanical hinge is designed to resist breaking in colder weather. Avoid exposing the box to extreme temperatures for prolonged periods.
- **Cartridge Compatibility:** This ammo box is suitable for .17 Hornet, .22 Hornet, and .30 Carbine cartridges. Do not use this box for other types of ammunition.

Instructions for Installation and Usage

1. Opening the Box:

- Gently lift the lid using the mechanical hinge. Ensure that the hinge is not obstructed.

2. Filling the Box:

- Place ammunition inside the box, ensuring that it is organized and not overcrowded.
- Close the lid securely after filling to protect the contents.

3. Stacking the Box:

- When stacking, ensure that the bottom box is stable and on a level surface.
- Place additional boxes directly on top without exceeding recommended stacking height.

4. Labeling:

- Print and affix a label measuring 1" x 2 5/8" to the lid for identification purposes.
- Ensure the label is securely attached and does not interfere with the lid's operation.

5. Storage:

- Store the ammo box in a cool, dry place away from direct sunlight and moisture.
- Avoid placing heavy objects on top of the box when storing.

Disposal Instructions

- Dispose of the ammo box according to local regulations regarding plastic waste.
- If the box is damaged or no longer usable, ensure it is recycled or disposed of in an environmentally friendly manner.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Frankford Arsenal HingeTop Ammo Box, please seek guidance from the designated EU contact point or refer to the product's packaging for additional information.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
