Hooyman Micro Chain Saw (DNR) Safety Instruction Guide

Introduction

Thank you for choosing the Hooyman Micro Chain Saw (DNR). This guide provides important safety information and instructions to ensure the safe and effective use of your new saw. Please read this manual carefully before using the product to maximize safety and performance.

General Safety Guidelines

- Always use the saw in accordance with the manufacturer's instructions.
- Keep the saw out of reach of children and vulnerable individuals.
- Inspect the saw before each use for any signs of damage or wear.
- Wear appropriate personal protective equipment (PPE), including gloves, safety goggles, and sturdy footwear.
- Be aware of your surroundings and ensure that no one is within the cutting zone.
- Do not use the saw for any purpose other than its intended use.
- Follow local regulations and guidelines regarding outdoor cutting and sawing activities.

Specific Safety Precautions for Use

• Potential Hazards:

- Risk of cuts and lacerations from the saw blade.
- Risk of injury from improper handling or misuse.
- Risk of damage to property if used carelessly.

• Instructions for Avoiding Hazards:

- Always maintain a firm grip on the saw while in use.
- Do not attempt to cut materials that exceed the saw's capacity.
- Avoid using the saw in wet or slippery conditions.
- Ensure that the cutting area is free from obstacles and hazards.
- Do not operate the saw while under the influence of drugs or alcohol.

• AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that young users are trained in the safe operation of the saw.

Instructions for Installation and Usage

• Preparation:

- Inspect the saw for any visible damage before use.
- Ensure that the saw is clean and free from debris.

• Using the Saw:

- Hold the saw firmly by the steel ring handles.
- Insert a stick or rod into the handles for added grip if needed.
- Position the saw at a comfortable angle and apply steady pressure while cutting.

- The saw teeth are designed to cut in both stroke directions; utilize this feature for efficiency.
- Always cut away from your body and keep hands and fingers clear of the cutting path.

- **After Use:**

- Clean the saw after each use to remove any sap, dirt, or debris.
- Store the saw in a dry place, preferably in the included carrying case, to protect it from damage.
- Regularly check the saw for signs of wear and replace it if necessary.

Disposal Instructions

- Dispose of the saw in accordance with local regulations for metal and plastic waste.
- If the saw is damaged beyond repair, ensure that it is disposed of in a manner that prevents injury to others.
- Recycle materials whenever possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Hooyman Micro Chain Saw (DNR), please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Hooyman Micro Chain Saw (DNR). Thank you for prioritizing safety while enjoying your outdoor activities!
