# Tipton Gun Vise Safety Instructions

## Introduction

Thank you for choosing the Tipton Gun Vise. This product is designed to securely hold your rifle or shotgun while you perform cleaning and gunsmithing tasks. To ensure safe and effective use of the Gun Vise, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Gun Vise in a wellventilated area to avoid inhaling harmful fumes from solvents or cleaning products.
- Keep the Gun Vise out of reach of children and pets when not in use.
- Regularly inspect the Gun Vise for any signs of damage or wear. Do not use if damaged.
- Ensure that your firearm is unloaded before placing it in the Gun Vise.
- Always follow local laws and regulations regarding firearm handling and storage.

## Specific Safety Precautions for Use

- Use the rubberized cradle and jaws to securely grip your firearm without causing scratches or damage.
- Avoid using excessive force when tightening the jaws to prevent damaging your firearm.
- Do not place any part of your body in the path of the firearm when using the Gun Vise.
- Be cautious when using solvents; follow the manufacturer's instructions and avoid contact with skin and eyes.
- Do not leave solvents or small parts unattended in the molded compartments.

## Instructions for Installation and Usage

### 1. Setup:

- Place the Gun Vise on a stable, flat surface to ensure it does not tip over during use.
- Ensure that the quick release cam action is functioning properly before placing your firearm in the vise.

### 2. Using the Gun Vise:

- Open the jaws of the Gun Vise by moving the quick release cam lever.
- Place your unloaded firearm in the rubberized cradle, ensuring it is secure.
- Gently close the jaws around the firearm until it is held firmly but not excessively tight.
- Ensure that all parts of the firearm are clear of the jaws to avoid damage.

### 3. Cleaning and Maintenance:

- After use, clean any solvents or debris from the Gun Vise with a soft cloth.
- Store the Gun Vise in a cool, dry place when not in use to prolong its lifespan.

## Disposal Instructions

- Dispose of the Gun Vise in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the Gun Vise in regular household waste if it is damaged or contains hazardous materials.

## Contact Information for Further Support

For safety inquiries or further support, please contact the manufacturer directly. Ensure you have your product information ready when making inquiries.

Thank you for prioritizing safety while using the Tipton Gun Vise. Your attention to these guidelines helps ensure a safe and effective experience.
