

# Deluxe 1-Piece Carbon Fiber Cleaning Rod 27-45 Cal. 12",retail pk

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Stainless steel rods can scratch or wear barrels if they're used carelessly – though they won't pick up potentially damaging small abrasive particles. "Coated" rods get part of the job done – they keep the stainless steel shaft from damaging your barrel's rifling, but the coating will pick up small abrasive particles, which means you're effectively running fine grit sandpaper through your bore. Carbon fiber rods are the best of both: the carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. During Operation Iraqi Freedom, US military armorers called on Tipton to provide cleaning rods that would clean service rifles in demanding conditions. It made sense to us: Carbon fiber is an ideal material for cleaning rods. We call these cleaning rods "deluxe" because they feature an ergonomically designed handle that spins on two sets of ball bearings – the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore. Available in four diameters and six lengths to fit most rifles, pistols, and shotguns. Rifle and handgun rods are threaded for 8-32 accessories, except 17 caliber and 20 caliber rods which are threaded 5-40. Shotgun rods are threaded 5/16"-27.

# Tipton Deluxe 1Piece Carbon Fiber Cleaning Rod Safety Instruction Guide

## Introduction

Thank you for choosing the Tipton Deluxe 1Piece Carbon Fiber Cleaning Rod. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the cleaning rod. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Always ensure the cleaning rod is used in accordance with the guidelines provided. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Please follow the instructions provided for safe returns or remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is intended for adult use. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please consult the product packaging or the retailer for the appropriate EU contact information.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoiding Hazards:**
  - Do not use the cleaning rod if it shows signs of damage or wear.
  - Always inspect the cleaning rod before use to ensure it is in good condition.
  - Avoid using excessive force when cleaning to prevent damage to both the rod and the firearm.
- **Proper Handling:**
  - Use the cleaning rod only for its intended purpose - cleaning firearms.
  - Never use the cleaning rod on a hot barrel.
  - Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning rod.
- **Age Restrictions:**
  - This product is designed for adult users only. Keep it away from children and ensure it is used responsibly.

## Instructions for Installation and Usage

- **Installation:**
  - Attach the cleaning rod to the appropriate accessories using the threaded end. Ensure compatibility with 832 or 540 threads as applicable.
  - Confirm that the accessory is securely attached before use.
- **Usage:**
  - Insert the cleaning rod into the bore of the firearm gently.
  - Rotate the handle as needed to follow the rifling while cleaning.
  - Apply reasonable pressure when using the cleaning rod, but avoid excessive force.
  - After cleaning, remove the rod carefully to avoid damaging the bore.

## **Disposal Instructions**

- Dispose of the cleaning rod in accordance with local regulations. If the rod is damaged or no longer usable, ensure it is disposed of safely to prevent injury.
- Do not dispose of the cleaning rod in regular household waste if it contains any hazardous materials. Check local guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tipton Deluxe 1Piece Carbon Fiber Cleaning Rod, please refer to the packaging or the retailer from whom you purchased the product for appropriate contact information.

Thank you for your attention to these safety instructions. Enjoy using your Tipton Deluxe 1Piece Carbon Fiber Cleaning Rod responsibly and safely.
