

Ultra Cleaning Kit

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Universal Cleaning Kits](#)

The Tipton® Ultra Cleaning Kit was designed for the shooter who wants the absolute highest quality cleaning accessories available in one convenient portable kit. The heart of the kit is a Premium 3 Piece Stainless Steel Cleaning Rod with a multi-bearing handle. The .205" diameter, 40" usable length rod is constructed of 17-4 PH stainless to be extremely durable and resist taking a bend (the problem that plagues most multi-section rods). All the kit components are neatly contained in the molded plastic case with custom die cut foam for organization. For use with .22 Cal and larger rifles.

Tipton Ultra Cleaning Kit Safety Instructions

Introduction

Thank you for choosing the Tipton® Ultra Cleaning Kit. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your cleaning kit. Please read this document carefully before using the product.

General Safety Guidelines

- Always use the cleaning kit in a wellventilated area.
- Keep the cleaning kit out of reach of children and pets.
- Inspect all components before use to ensure they are in good condition.
- Follow all manufacturer instructions for use and maintenance.
- Do not use the cleaning kit for any purpose other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use caution when handling cleaning solvents and chemicals. Wear gloves and eye protection if necessary.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical advice if irritation persists.
- Do not ingest any cleaning materials. Keep them away from food and drink.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning the cleaning process.
- Use the cleaning rod and attachments according to the specifications provided to avoid damage to the firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and safe to handle.
- Gather all components of the cleaning kit, including the cleaning rod, brushes, patches, and cleaning solvent.

2. Assembly

- Attach the appropriate brush or cleaning attachment to the end of the cleaning rod.
- Ensure that the attachment is securely fastened to prevent it from detaching during use.

3. Cleaning Process

- Apply a small amount of cleaning solvent to the cleaning patch or brush.
- Insert the cleaning rod into the firearm's barrel gently. Do not force it.
- Move the cleaning rod back and forth to clean the barrel thoroughly.
- Remove the cleaning rod and attachment carefully after use.

4. PostCleaning

- Wipe down the firearm with a clean, dry cloth to remove any excess solvent.
- Store the cleaning kit in its designated case to keep all components organized and protected.

Disposal Instructions

- Dispose of any used cleaning patches, solvents, or chemicals in accordance with local regulations.
- Do not dispose of cleaning materials in regular household waste. Check for local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Tipton Ultra Cleaning Kit, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Ultra Cleaning Kit. Always prioritize safety and responsible handling of all cleaning materials and firearms.
